Decision ☒ Discussion ☐ Information ☐

ITEM OBJECTIVE: To approve proposed changes to the Augustana Faculty – Faculty Council Composition.

DATE: February 12, 2024
TO: GFC Executive Committee
RESPONSIBLE PORTFOLIO: General Faculties Council

MOTION: THAT the GFC Executive Committee approve, under delegated authority from the General Faculties Council, proposed changes to the Composition of the Faculty Council of Augustana Faculty, as set forth in Attachment 3, to take effect upon final approval.

EXECUTIVE SUMMARY:

The Post-Secondary Learning Act stipulates that each faculty of the university must have a faculty council (S 28 (1)) and describes the required composition (S 28(2)). The PSLA also allows any representative of a professional association appointed pursuant to subsection (4) (S 28(2)(d)), and any other persons recommended by the faculty council and approved by the General Faculties Council to hold membership on faculty councils (S 28(2)(e)).

The proposed revisions to the Terms of Reference for Augustana Faculty Council focus on the composition of Augustana Faculty Council. University General Faculties Council recently reviewed its interpretation of the statutory membership of Faculty Councils, and determined that ‘all full-time members of the academic staff of the faculty’ includes all academic faculty in Category A, including ATS members. This interpretation results in ATS Career and all full-time ATS A2.1 members being considered Statutory members of Augustana Faculty Council, meaning those categories are no longer required under the additionally appointed membership. The proposal modifies the description of the remaining appointed ATS member to be inclusive for any part-time ATS members who would like to fill that position.

Two additional changes are proposed:
- Historically, the two elected Support Staff representatives on Augustana Faculty Council have served two-year terms, but this is not specified in the Terms of Reference; the proposed change clarifies this status.
- Since there is no longer a program offered on Augustana Campus by the Faculty of Nursing, it no longer seemed necessary to have a Faculty of Nursing representative appointed to Augustana Faculty Council.

Augustana Faculty Council also reviewed the Terms of Reference respecting Quorum and decided not to recommend any change.

**MOTION:** THAT GFC Executive Committee recommend to the General Faculties Council that it rescind Section 109 of the GFC Policy Manual.

**EXECUTIVE SUMMARY:**

Since 2008, University Governance has been working to complete the rescission of the General Faculties Council Policy Manual ("GFC Policy Manual").

Section 109 of the GFC Policy Manual was drafted to provide regulatory guidance with respect to:

1. the collection of information forming part of a student record;
2. the use and confidentiality of student records (and the information contained therein);
3. the retention of student records; and
4. the security afforded to student records.

Regulatory guidance with respect to the collection, use and disclosure of the personal information of students, the retention practices for such information, and the protection afforded to the same is now subsumed within the University Regulations published in the University Calendar.

Attachment 1 to this Governance Outline tracks each of the subsections of Section 109 of the GFC Policy Manual and identifies where the substantive content of each such subsection can now be found in the University Calendar.

In the interests of clarity, and to resolve any confusion with respect to the current governing institutional regulations relating to student personal information, it is necessary to rescind Section 109 of the GFC Policy Manual.

109. Student Records: Contents, Access, Use, and Protection

Note from the University Secretariat: The Post-Secondary Learning Act gives General Faculties Council (GFC) responsibility, subject to the authority of the Board of Governors, over "academic affairs" (section 26(1)) and "general supervision of student affairs" (section 31). GFC has thus enacted a policy concerning Student Records, as set out below. This policy is compliant with the Province's Freedom of Information and Protection of Privacy Act (FOIPP).

The complete wording of the section(s) of the Post-Secondary Learning Act, as referred to above, and any other related sections, should be checked in any instance where formal jurisdiction or delegation needs to be determined.

NOTE FROM THE UNIVERSITY SECRETARIAT: GFC Regulations concerning student records are contained in the Calendar with the exception of the following regulations. In accordance with a motion passed by the GFC Executive Committee on November 9, 1992, the academic regulations contained in the Calendar may not be changed without GFC approval.

109. Student Records: Contents, Access, Use, and Protection

Note from the University Secretariat: The Post-Secondary Learning Act gives General Faculties Council (GFC) responsibility, subject to the authority of the Board of Governors, over "academic affairs" (section 26(1)) and "general supervision of student affairs" (section 31). GFC has thus enacted a policy concerning Student Records, as set out below. This policy is compliant with the Province's Freedom of Information and Protection of Privacy Act (FOIPP).

The complete wording of the section(s) of the Post-Secondary Learning Act, as referred to above, and any other related sections, should be checked in any instance where formal jurisdiction or delegation needs to be determined.

NOTE FROM THE UNIVERSITY SECRETARIAT: GFC Regulations concerning student records are contained in the Calendar with the exception of the following regulations. In accordance with a motion passed by the GFC Executive Committee on November 9, 1992, the academic regulations contained in the Calendar may not be changed without GFC approval.
109.1 Collection of Personal Information

Information that forms part of the student record is collected under the authority of the Post-Secondary Learning Act of the Province of Alberta and in accordance with Section 32(c) of the Alberta Freedom of Information and Protection of Privacy Act, (FOIPP Act). It is used to determine eligibility for admission and financial assistance, to advise students about academic programs and to provide university services. (GFC NOV 29 1999)

The student record is disclosed to academic and administrative units. Specific information is disclosed to the federal and provincial governments to meet reporting requirements and to the Students' Union/Graduate Students' Association in accordance with FOIPP Information Sharing Agreements. ITEM OBJECTIVE: To approve the rescission of GFC Policy Manual Section 56.

DATE | February 12, 2024
---|---
TO | GFC Executive Committee
RESPONSIBLE PORTFOLIO | General Faculties Council

MOTION: THAT GFC Executive Committee recommend that General Faculties Council rescind Section 56 of the GFC Policy Manual.

EXECUTIVE SUMMARY:
Since 2008, University Governance has been working to complete a project to rescind the General Faculties Council Policy Manual (“GFC Policy Manual”). Section 56 of the GFC Policy Manual requires annual reporting of the work of the General Appeals Committee (“GAC”) to GFC, including a statistical summary of cases and their disposition. Rescinding Section 56 will have no impact on GFC Executive Committee ("EXEC")’s 1977 decision that the General Appeals Committee be requested to report annually to GFC on (a) on the number of cases handled and their outcome, taking care to protect the confidentiality of appellants, and (b) upon any recommendations for modifications of the procedures followed by the General Appeals Committee which committee members might deem appropriate after their experience. [GFC 28/FEB/77 at p. 62]

Notwithstanding the information set out in GFC Policy Manual Section 56, this decision holds true until rescinded. The GFC Policy Manual Section 56 and its associated subsections 56.1 and 56.2 are not required to enforce annual reporting to EXEC as set out in the 1977 decision.

BACKGROUND
The General Appeals Committee was established through and by way of the Academic Staff Agreement that came into effect on July 1, 1976. The formation of the General Appeals Committee effected the dissolution of the Appeals Committee on Salaries and Promotions [EXEC 24/JAN/77].

At its meeting on January 24, 1977, EXEC approved a motion to recommend to GFC that the General Appeals Committee not be considered a Standing Committee of GFC, but a "creature of the Academic Staff Agreement". This was largely because, as observed by the committee, "[t]he Act requires that G.F.C. approve procedures for appointment, promotion and dismissal. The General Appeals Committee is concerned with the implementation of these procedures in specific cases as they relate to appointments and promotions." [EXEC 24/JAN/77 at p. 29] Specifically, the GFC EXEC committee characterized the General Appeals Committee as "...a contractual committee forming part of the contract between staff member[s] and the Board."
EXEC further recommended that the General Appeals Committee be requested to report annually to GFC (a) on the number of cases handled and their outcome, taking care to protect the confidentiality of appellants, and (b) upon any recommendations for modifications of the procedures followed by the General Appeals Committee which committee members might deem appropriate after their experience. [GFC 28/FEB/77 at p. 62]

GFC voted in favour of the General Appeals Committee ceasing to be considered a standing committee of GFC, but that it be asked to submit an annual report to GFC. [GFC 28/FEB/77 at p. 62]. The resolution of GFC from February 28, 1977 regarding the General Appeals Committee submitting an annual report is now codified in Section 56 of the GFC Policy Manual.

The deletion of Section 56 of the GFC Policy Manual does not ultimately impact the need for the General Appeals Committee to deliver an annual report. That requirement still exists by virtue of the GFC resolution on February 28, 1977. Section 56 of the GFC Policy Manual provides the "original authority" requiring the annual report be provided. That comes from the resolution itself and could only be changed by a resolution of GFC.
