Exploration Credits
How will it work?

Maximum 12 credits per student

Maximum 3 credits per term and 6 credits per year

Only on “open electives” or courses identified by the faculty, and some programs will be excluded

May be some exclusions for certain programs, courses, or categories of students
How will it work?

Application through Bear Tracks
Mirror timing of Withdrawal deadline
Instructors won’t see requests
Once selected, cannot be changed back
Impacts and Student Responsibility

Students are responsible for ensuring that their program and the course are eligible and that they haven’t reach the maximum.

The university cannot predict all future consequences of a CR/NC notation for each individual student.
