OPENING SESSION

The Chair welcomed members and guests and acknowledged all Indigenous peoples and the traditional lands from where Board members were gathering.

The Chair then acknowledged Chancellor Douglas Stollery, who was attending his last Board of Governors’ meeting before the end of his term in June. She led the Board in thanking Chancellor Stollery for his service as a leader in the university community, Chair of the Senate, and wise counsel on the Board of Governors for the past four years, and indicated that the Board hoped to be able to celebrate the Chancellor in person in the coming months.

3. Conflict of Interest - Opportunity for Declaration Related to the Agenda
   Presenter(s): Kate Chisholm

   The Chair made note of the following:
   
   • The University of Alberta has a Code of Conduct in place regarding Board members’ obligations respecting conflict of interest, and Board and Board Committee members make annual disclosures in this regard.
   
   • In addition, Board members must declare any conflict related to the Board Agenda of each meeting and, in the event of such conflict, absent themselves from the discussion and voting on the item.
   
   • The Post-secondary Learning Act, Section 16(5) states that: The members of the board must act in the best interests of the university.

   The Chair invited members to declare conflicts of interest related to the Open Session Agenda of the meeting. Seeing none, the Chair declared the question asked and answered.
4. **Report of the Audit and Risk Committee**

*Presenter(s):* Charlene Butler

4a. **Management’s Annual Audited Financial Statements (Draft) and review Financial Statement Discussion and Analysis (Draft)**

Materials before members are contained in the official meeting file.

*Presenter(s):* Gitta Kulczycki; Martin Coutts

**Purpose of the Proposal:** To approve the audited Consolidated Financial Statements as required by the Post-Secondary Learning Act.

**Discussion:**
Ms Butler introduced the item and informed the Board that the Audit and Risk Committee had met earlier that morning, discussed the financial statements with the External Auditor, and recommended approval of the statements to the Board of Governors.

Mr Coutts presented an overview of the draft financial statements. He reviewed components of the university’s 2019-20 net assets, reminding members of the restricted use of internally restricted net assets, and noting that net assets had decreased from the prior year mainly due to a decrease in the fair value of endowments. He then reviewed the annual operating surplus (deficit) variance to budget, noting that this was primarily due to a decrease in the Campus Alberta operating grant, lower investment income from the realization of capital losses, and higher pension expense caused by higher plan expenses.

Finally, Mr Coutts reviewed highlights specific to the 2019-20 financial statements, including: that the university still has a low financial liquidity risk even in the worst case scenario, and that the external auditors were satisfied with that; explaining the future impact of the decline in market value of Universities Academic Pension Plan (UAPP) assets; and clarifying that Note 24, the subsequent events note regarding COVID-19, was standard for all Alberta post-secondary institutions to demonstrate the financial statements’ lack of predictive value going forward.

Ms Kulczycki, Mr Coutts, Mr Sharman, and the Board Chair responded to questions from the Board regarding: the reason that the UAPP was flagged as a major issue in these statements; why all employee salaries, including administration, teaching, and research staff, are reported together within the financial statements when the report and recommendations of the Blue Ribbon Panel on Alberta’s Finances focused on administrative costs; how the Board and other stakeholders are addressing the discrepancy between deferred maintenance costs and Infrastructure Maintenance Program (IMP) funding; the consequences for an unbalanced budget and whether that requirement is for the operating or consolidated budget; whether there will be any latitude on that requirement given the impact of COVID-19; and who has the authority to sign-off on the university’s Investment Management Agreement.

The motion was moved and seconded.

*THAT the Board of Governors, on the recommendation of the Board Audit and Risk Committee, approve the Audited Consolidated Financial Statements for the year ended March 31, 2020, as set forth in Attachment 1. CARRIED*
