   - **Board / GFC / Senate Summit Update**

Materials before members are contained in the official meeting file.

**Presenter(s):** David Turpin

**Discussion:**
In addition to his written report, Dr Turpin provided verbal remarks on plans for the January 24, 2020 Joint Summit of the Board of Governors, General Faculties Council, and the Senate, noting that the summit would focus on performance-based funding with guest speakers Alex Usher, President of Higher Education Strategy Associates, and Cheryl Poth, Professor, Measurement, Assessment and Evaluation in the Faculty of Education.

He also briefed members on the October 31, 2019 budget campus forum and administration’s efforts to deal with budget reductions, including a change to the President’s annual holiday party to partner with students and focus on student financial aid. He thanked the presidents of the Graduate Students’ Association and Students’ Union for their support of the event.

The President also briefed the Board on recent and forthcoming senior leadership changes, noting the resignation of Vice-President (Research and Innovation) Matthias Ruth. He spoke of Dr Ruth’s accomplishments and thanked him for his time at the university. The University Secretary then encouraged members to find opportunities to reflect and continue their governance education, thanking those members who attended the Field Law Summit in November, and reminding members to take advantage of local sessions available through the Institute of Corporate Directors.

6. Non-endowed Investment Pool - Income/Reserve Transfer
Materials before members are contained in the official meeting file.
Presenter(s): Gitta Kulczycki

Purpose of the Proposal: To approve a transfer of $15 million additional funds to the University of Alberta 2019-20 Operating Budget, sourced from non-endowed investment income and the non-endowed investment reserve.

Discussion: Ms Kulczycki presented the proposal to transfer $15 million in additional funds to the 2019-2020 operating budget from income investment funds. She explained that an investment income reserve fund, approved by the Board of Governors in December of 2018, currently held $55 million, and that this transfer would delay seeding of the strategic initiatives fund, approved by the Board on the same date, by approximately one year.

The motion was moved and seconded.

THAT the Board of Governors, on the recommendation of the Board Finance and Property Committee, approve the transfer of $15 million additional funds to the University of Alberta 2019-20 Operating Budget, sourced from non-endowed investment income and the non-endowed investment reserve. CARRIED

5. Budget Briefing

Materials before members are contained in the official meeting file.

Presenter(s): Steven Dew; Gitta Kulczycki

Purpose of the Proposal: To review the plan to absorb the provincial budget reduction in the current fiscal year.

Discussion: Ms Kulczycki provided an overview of budget reductions to the Campus Alberta Grant and the elimination of Infrastructure Maintenance Program funding (IMP) for 2019-20. She briefed members on plans to deal with these reductions, noting that the funding reduction would be absorbed as much as possible at the institutional level, with the remainder distributed to faculties and support units as one-time cuts for 2019-20, and that infrastructure maintenance projects would be cancelled.

Dr Dew presented the university’s plans for the 2020-21 budget, reminding members that the 2019-20 grant reduction would be incorporated into the 2020-21 budget as base cuts, in addition to any further reductions announced in the 2020-21 provincial budget. He informed members that the university was planning for a five percent reduction to grant for three years, with a small amount offset by tuition rate increases, and briefed members on the development of a budget tool to analyze the interaction of revenue generation and expenditure reduction levers.

Dr Dew then presented three high-level budget scenarios: cutting costs, which would have a negative impact on community, research, and teaching; growing revenue through expanding enrolment; and a combination of the cut and growth scenario, which would be less aggressive but mean longer recovery of revenues. He noted that, following consultation with the Finance and Property Committee, administration had decided to pursue the third scenario.

7. Statement on Free Expression at the University of Alberta
Materials before members are contained in the official meeting file.

Presenter(s): Steven Dew; Brad Hamdon; Wendy Rodgers

Purpose of the Proposal: The university is developing a statement on free expression. The Free Expression Advisory Group, established in May 2019, has developed a draft statement, based on extensive consultation with the university community. The purpose of this item is to approve the draft statement.

Discussion:
Ms Barry introduced the item, and Dr Rodgers provided an overview of the development of the statement, including the request from the provincial government to develop a statement, the university's extensive consultation process, and the importance of balancing freedom of expression with Canadian laws, charter rights, and the university's discrimination policies. She informed the Board that the draft statement had recently been accepted by the Minister of Advanced Education.

The motion was moved and seconded.

THAT the Board of Governors, on the recommendation of the Board Human Resources and Compensation Committee, Board Reputation and Public Affairs Committee, and General Faculties Council, approve the Statement on Free Expression at the University of Alberta, as set forth in Attachment 1.
