*Presenter(s): Kate Chisholm*

The Chair invited members to inform her if there were any requests to remove an item from the Open Session Consent Agenda. A member requested that Item 3v, *Report of the Association of Academic Staff*, be removed so that it could be an item of discussion.

1c. **Conflict of Interest - Opportunity for Declaration**

*Presenter(s): Kate Chisholm*

The Chair invited members to declare any conflicts of interest related to the Open Session agenda. No conflicts were declared.

1d. **Chair's Remarks**

*Presenter(s): Kate Chisholm*

The Chair offered a warm welcome to new Chancellor, Peggy Garrity, who was formally installed as Chancellor the day prior, as well as two new members who were attending their first Board of Governors’ meeting: Ayaz Bhanji, alumni representative, and Breda Cormack, non-academic staff association representative, who were each appointed for a three-year term on June 3.

She provided an update on Board membership, congratulating Charlene Butler on her appointment as a Public Member on the Board of Governors for three years effective July 15, 2020, and welcoming Margot Ross-Graham
who was observing the meeting in anticipation of her appointment as the next Senate Representative on the Board of Governors for a three year term effective July 16, 2020.

She also noted that the Government of Alberta had appointed Sett Policicchio as a Public Member on the Board of Governors, effective September 28, 2020, once Ray Muzyka’s 90-day override period expired, and briefed members on the status of the election of the next General Faculties Council representative on the Board.

The Chair then commented on the success of the university’s first virtual convocation ceremony, and congratulated Breda Cormack, who convocated with her Master’s degree in Business Administration.

- **University of Alberta Investment Management Agreement**
  The Chair provided an update on Investment Management Agreements (IMAs), noting that government recently indicated that IMAs would be delayed until 2021 with expenditure targets removed, but that the university was expected to achieve a balanced budget this year. She noted that she was working with other post-secondary board chairs to advocate together on performance metrics and that they would be working closely with government on how to move forward on those.

- **Reflections and Recognition**
  Finally, the Chair acknowledged Katherine Binhammer, whose term as General Faculties Council representative would end on June 30, 2020, for her thoughtful contributions to the Board and its committees over the past three years.

  She then led the Board in acknowledging President Turpin and his spouse, Suromitra Sanatani, for their commitment to the university over the past five years, especially with regard to equity, diversity, and inclusivity; recruitment; donor and community support; student financial aid; research funding; governance transformation; and government and system relations, and presented President Turpin with a brick from the Dentistry and Pharmacy building as a reminder of his contributions to the future of the university.

DISCUSSION ITEMS

3v. Report of Association of Academic Staff

Presenter(s): Donna Wilson

Purpose of the Proposal: For information / discussion

Discussion:
In response to a member’s question regarding the report’s statement that “No student evaluations shall be used in any teacher evaluations ever”, President Turpin clarified that the decision was made only for Spring 2020 use of Universal Student Ratings of Instruction (USRIs) and not forever.

Drs Dew and Wilson responded to questions from the Board regarding: what the university is looking at as a future replacement for USRIs; and Dr Wilson’s opinion of USRIs.

ACTION ITEMS

Report of the Human Resources and Compensation Committee

Presenter(s): Ray Muzyka

4. Recruitment and Selection of Employees Policy and Procedures

Materials before members are contained in the official meeting file.

Presenter(s): Wendy Rodgers

Purpose of the Proposal: For review and recommendation of proposed changes to the Recruitment and Selection of Employees Policy and procedures.

Discussion:
Dr Rodgers introduced the item, noting that the proposed changes are intended to embed wording and advice to recruitment and selection committees, to ensure there are no barriers for diverse applicants.

Dr Rodgers responded to questions from Board members regarding: whether the university community has experienced discrimination under its current policies and procedures; the rationale for changing the policies; concerns that the changes may elevate the importance of diversity above merit with unintended consequences; the amount of administration these changes may cause; whether the changes are necessary given current policies and laws against discrimination; whether individual selection would still be merit-based; and the importance of the changes to ensure the university is recruiting from 100 percent of the talent pool rather than only part of it.

The motion was moved and seconded.

THAT the Board of Governors, on the recommendation of the Board Human Resources and Compensation Committee, approve the amended Recruitment and Selection of Employees Policy Suite, as set forth in attachment 3, and authorize the Deputy Provost to make changes as outlined in the “Supplementary Notes and context” section below, all to take effect upon final approval.

She also spoke to government’s extended deadline for Investment Management Agreements and performance metrics; noted the university was currently forecasting a modest deficit of $18 Million; and provided members with an overview of the potential budget implications of the COVID-19 pandemic, noting the importance of enrolment numbers.
