2. Management’s Annual Audited Financial Statements (Draft) and review Financial Statement Discussion and Analysis (Draft)

Materials before members are contained in the official meeting file.

Presenter(s): Todd Gilchrist; Martin Coutts

Purpose of the Proposal: To approve the audited Consolidated Financial Statements as required by the Post-Secondary Learning Act.

Discussion:
M Hale introduced the item and informed the Board that the Audit and Risk Committee had met earlier that morning, discussed the financial statements with the External Auditor, and recommended approval of the statements to the Board of Governors. She indicated that it was a clean audit with no observations from the External Auditor, and informed the Board that the university would end the year in a surplus position largely due to unusual onetime factors.

T Gilchrist provided an overview of the 2021-22 context and reviewed the 2021-22 financial results and components of the operating surplus variance to budget, including: the sale of tangible capital assets ($34.9M), recovery of a cumulative endowment encroachment ($31.2M), higher-than-anticipated realized gains on non-endowed income ($53.3M), and lower expenditures than budgeted ($7.7M). He then briefed members on plans to transfer $48M into the university’s investment income reserve, and an upcoming proposal to seek Board approval for the allocation of $32M from the Strategic Initiatives Fund (SIF) to fund one-time strategic priorities, including a portion to the university’s deferred maintenance liability, and another to the pension reserve.

Mr Coutts then reviewed the operating variance net asset observations, including the increases in unrestricted and internally restricted net assets as well as changes to the investments in tangible capital assets and endowments, and noted that the external auditor had presented no audit recommendations.

Mr Gilchrist responded to questions from the Board regarding: confirmation of the total operating surplus; whether the endowment encroachment had been recently replenished; and whether it was possible to repurpose surplus funds toward human resources or research.

The motion was moved and seconded.

THAT the Board of Governors, on the recommendation of the Board Audit and Risk Committee, approve the Audited Consolidated Financial Statements for the year ended March 31, 2022, as set forth in Attachment 2.
