

## Searchable Departmental Award Database

Our new database allows you to search through a list of departmental or faculty-specific awards by value, audience, name, keyword, program or donor.

Please remember this is a list of all awards approved by FGSR and does not represent a commitment that each award is funded and available. All final values, numbers of deadlines for awards are found in GSMS. Please contact the Team with questions.

### How to Search for awards open to your Department/Faculty

- If you want to find a list of the awards open to your department, select your criteria from the left-hand navigation (the drop down menu shows all the nested departments).
- You can use multiple criteria.
- The standard wording suggests that students contact their departmental administrators in order to determine if you have set internal deadlines that precede FGSR deadlines.

### How to Share filtered results

- If you want to share a list of the awards open to your department, select your criteria from the left-hand navigation & the results can be shared by copying and sharing the URL in an email.

The screenshot shows a web browser window with the URL `preview.ualberta.ca/graduate-studies/awards-and`. A green arrow points to the search bar. Below the URL, there are filters for Value and Faculty. The Value filter is set to '\$1,000 - \$5,000' (27 results). The Faculty filter is set to 'Agricultural Life and Environmental Science' (15 results) and 'Agricultural Food & Nutritional Science' (27 results). The search results show 'Results 1-24 of 27 in 0.23 seconds'. The first result is the 'Pansy and George Strange Graduate Scholarship', which is open to permanent residents and foreign nationals. The second result is the 'Thelma R Scambler Scholarship'.
