

HEALTH ETHICS SYMPOSIUM

RURAL AND REMOTE HEALTHCARE ETHICS: *Considering Issues for the Past, Present, and Future*

Tuesday, 28 November 2023

Time: 3:00 - 6:00 PM MST

Virtual presentations via Zoom application
Pre-Registration Required
Free! Everyone WELCOME!

What are unique ethical considerations for those who practice in rural and/or remote areas? Can we speak of an inimitable ethics to the practice of medicine, nursing, or other health discipline in such contexts? How can traditional ethical theories and approaches be enhanced by embracing a rural perspective? The purpose of this symposium is to explore topics related to health ethics in rural and remote contexts.
