WHEREAS the Government of Alberta is committed to ensuring that Albertans have the same opportunity to obtain a high-quality post-secondary education, achieve their full potential and contribute to their communities through an adult learning system that is accessible, affordable, high-quality, accountable and coordinated;

WHEREAS an accessible system is one in which all Albertans have an ability to plan a career path and receive post-secondary education regardless of their location or barriers;

WHEREAS an affordable system is one in which finances do not limit any Albertan from accessing post-secondary education;

WHEREAS a high-quality system is one in which students are well prepared for further learning or the workforce and can contribute to Alberta's society, and in which post-secondary programs and research are recognized nationally and internationally;

WHEREAS an accountable system is one in which all Albertans have access to clear information about post-secondary providers that are effectively governed, financially sustainable, fiscally responsible and collaborative with their communities, government and each other; and

WHEREAS a coordinated post-secondary system is one in which programs are integrated and diverse, without being duplicative or redundant, and in which the mandates and roles of students, educators, providers and government are clearly articulated and differentiated;

THEREFORE HER MAJESTY, by and with the advice and consent of the Legislative Assembly of Alberta, enacts as follows:

2 In this Part,

- (a) “alumni association” means an association recognized by the board of a university as being representative of the graduates of the university;

- (b) “board” means the board of governors of a university.

Establishment

Establishment of comprehensive academic and research universities

3(1) The Lieutenant Governor in Council may by order establish a comprehensive academic and research university.

(2) An order made under subsection (1) must designate the name of the university so established.

2003 cP-19.5 s3;2018 c19 s4

Establishment of undergraduate universities

3.1(1) The Lieutenant Governor in Council may by order establish an undergraduate university.

(2) An order made under subsection (1) must designate the name of the university so established.

2018 c19 s4

Initial governing authority

4(1) When the Lieutenant Governor in Council establishes a university under section 3, the Lieutenant Governor in Council may

- (a) establish an initial governing authority for the university consisting of one or more members;
- (b) appoint the member or members of the initial governing authority and, if the Lieutenant Governor in Council appoints more than one member, shall designate one of them as its chair;
- (c) specify the name of the initial governing authority;
- (d) confer or impose on the initial governing authority any powers or duties the Lieutenant Governor in Council considers necessary in connection with the carrying out of its responsibilities.

(2) An initial governing authority is a corporation with the name given to it by the Lieutenant Governor in Council and consists of the persons appointed as its member or members.

(3) The members of the initial governing authority

- (a) may be paid remuneration for the performance of their duties as members of the initial governing authority, and

- (b) shall be paid travelling and living expenses while away from their ordinary places of residence in the course of their duties as members of the initial governing authority,

at the rates prescribed by the Lieutenant Governor in Council.

(4) An initial governing authority shall exercise its powers and perform its duties until it is dissolved by an order of the Lieutenant Governor in Council.

(5) The Lieutenant Governor in Council may make any order the Lieutenant Governor in Council considers necessary in respect of the disposition of the rights, property, debts and obligations of the initial governing authority on its dissolution.

Powers and duties of initial governing authority

5(1) Notwithstanding anything in this Act and in addition to the powers and duties conferred or imposed on the initial governing authority under section 4(1)(d), the initial governing authority of a university

- (a) may exercise the powers and perform the duties of
 - (i) the chancellor, until the election of the first chancellor,
 - (ii) the president, until the appointment of the first president,
 - (iii) in the case of a comprehensive academic and research university, the senate, until the commencement of the senate's first meeting,
 - (iv) the board, until the commencement of the board's first meeting, and
 - (v) the general faculties council, until the commencement of the general faculties council's first meeting,

and

- (b) may exercise the powers and perform the duties referred to in clause (a) either in its own name or in the name of the chancellor, the president, the senate, the board or the general faculties council, as the case may be.

(2) Notwithstanding anything in this Act, the initial governing authority of a university

- (a) shall, subject to section 58.6 of the *Labour Relations Code*, after consulting with the academic staff association and with

any other bargaining agent representing employees of the university affected by the designation, do one or both of the following:

- (i) designate categories of employees as academic staff members of the university;
 - (ii) designate individual employees as academic staff members of the university,
- (b) shall prescribe procedures respecting the election of
- (i) the first executive of the academic staff association at the university, and
 - (ii) the first councils of the student organizations at the university,

and

- (c) may, subject to section 58.6 of the *Labour Relations Code*, change a designation made under this subsection after consulting with the academic staff association and with any other bargaining agent representing employees of the university affected by the change in designation.

Chancellor and Vice-chancellor

Election of chancellor

6(1) The senate of a comprehensive academic and research university shall elect a chancellor for the university from among

- (a) the persons nominated by the joint committee established under section 7(1), and
- (b) any other persons who are nominated by members of the senate at the meeting of the senate at which the joint committee presents its nominations to the senate.

(2) An undergraduate university is not required to have a chancellor but if the board determines that the university is to have a chancellor, the chancellor shall be elected by the board from among the persons nominated by the joint committee established under section 7(2).

(3) A person is not eligible for election as chancellor under this section unless the person is a Canadian citizen or has been lawfully admitted to Canada for permanent residence.

2003 cP-19.5 s6;2018 c19 s6

Establishment of a joint committee

7(1) The senate of a comprehensive academic and research university shall establish a joint committee when

- (a) a comprehensive academic and research university is established under section 3, or
- (b) a vacancy occurs during the term of office of the chancellor of the university or the expiry of the term of office of the chancellor is imminent.

(2) The board of an undergraduate university shall establish a joint committee,

- (a) if there is no chancellor for the university, when the board determines that the university is to have a chancellor,
- (b) if a vacancy occurs during the term of office of the chancellor of the university, when the board determines that the vacancy is to be filled, or
- (c) if the expiry of the term of office of the chancellor is imminent, when the board determines that a successor is to be elected.

(3) A joint committee must consist of

- (a) 3 members of the general faculties council appointed by the general faculties council,
- (b) 3 members of the alumni association appointed by the alumni association,
- (c) in the case of a comprehensive academic and research university, 3 members of the senate appointed by the senate,
- (d) in the case of an undergraduate university, 3 members of the board appointed by the board,
- (e) one member of the students association appointed by the students association or 2 members if the university does not have a graduate students association, and
- (f) if the university has a graduate students association, one member of the graduate students association appointed by the graduate students association.

(4) A joint committee shall nominate for the office of chancellor of a comprehensive academic and research university the number of persons that the senate directs.

(5) A joint committee shall nominate for the office of chancellor of an undergraduate university the number of persons that the board directs.

2003 cP-19.5 s7;2018 c19 s6

Term of office and removal

8(1) A chancellor holds office for a term of 4 years and is not eligible for re-election as chancellor.

(2) If the senate of a comprehensive academic and research university is satisfied that a person elected as chancellor of the university is, for any reason, no longer capable of acting as chancellor or of fulfilling the chancellor's duties, the senate may remove that person from office.

(3) If the board of an undergraduate university is satisfied that a person elected as chancellor of the university is, for any reason, no longer capable of acting as chancellor or of fulfilling the chancellor's duties, the board may remove that person from office.

2003 cP-19.5 s8;2018 c19 s6

Duties of chancellor

9(1) In addition to the chancellor's other functions under this Act, the chancellor shall represent the university at ceremonial occasions, preside over all degree-conferring ceremonies of the university and confer the degrees, and represent the public interest in the university.

(2) When the office of chancellor is vacant or the chancellor is absent or unable to act, the vice-chancellor may perform all the functions of the chancellor.

(3) When the chancellor and the vice-chancellor are absent or unable to act or when the offices are vacant, the deans' council may designate a person to perform the chancellor's functions at degree-conferring ceremonies.

Vice-chancellor

10 The president of a university is the vice-chancellor.

Senate

Definition

10.1 In sections 11 to 15, "university" means a comprehensive academic and research university.

2018 c19 s7

Senate

11(1) The Lieutenant Governor in Council shall by order establish a senate for each university.

(2) Each senate is a corporation with the name given to it by the Lieutenant Governor in Council and consists of its members.

(3) A senate shall consist of

- (a) the following persons who are members by virtue of their offices:
 - (i) the chancellor, who is the chair;
 - (ii) the president;
 - (iii) the vice-president designated by the board;
 - (iv) the chief academic officer for student affairs;
 - (v) the director of extension, or if none, the officer performing comparable functions;
 - (vi) the president and vice-president of the alumni association;
- (b) the following appointed members:
 - (i) 2 deans, appointed by the deans' council;
 - (ii) 2 members of the board, appointed by the board;
 - (iii) 3 members of the general faculties council, appointed by the general faculties council;
 - (iv) 2 members of the alumni association, appointed by the alumni association;
 - (v) 2 non-academic staff members, appointed by the non-academic staff association;
 - (vi) 4 members of the students association, appointed by the council of the students association;
 - (vii) if there is a graduate students association, one member of the association, appointed by the council of the association;
 - (viii) 9 members of the public, appointed by the Minister;

(c) 30 representative members, elected by the members of the senate referred to in subsection (4), to represent geographical areas and groups and organizations with an interest in the university including, at the discretion of the members of the senate, representatives of staff organizations within the university.

(4) The persons eligible to vote in the election of a representative member under subsection (3)(c) are all the persons who, at the time of the election, are members of the senate.

(5) Only persons who are Canadian citizens or have been lawfully admitted to Canada for permanent residence are eligible to be appointed as members of a senate under subsection (3)(b)(viii).

(6) The members of the senate may be paid travelling and living expenses while away from their ordinary places of residence in the course of their duties as members of the senate at the rates prescribed by the senate.

Term of office and vacancy

12(1) A person appointed under section 11(3)(b)(i) to (v)

- (a) holds office for a term that does not exceed 3 years, and
- (b) is, if otherwise qualified, eligible for reappointment.

(2) A person appointed under section 11(3)(b)(vi) or (vii)

- (a) holds office for a term of one year, and
- (b) is, if otherwise qualified, eligible for reappointment.

(3) A person appointed under section 11(3)(b)(viii)

- (a) holds office for a term that does not exceed 3 years, and
- (b) may not be appointed for more than two terms.

(4) A person elected under section 11(3)(c)

- (a) holds office for a term that does not exceed 3 years, and
- (b) may not be elected for more than two terms.

(5) When a vacancy exists on a senate,

- (a) if the vacancy is in respect of an appointed member, the person or body having the power of appointment may

appoint a person under section 11(3)(b) to serve the balance of the unexpired term of office of the former member, and

- (b) if the vacancy is among the representative members, the members of the senate may elect a person under section 11(3)(c) to serve the balance of the unexpired term of office of the former member.

(6) When a person is appointed by the Minister under section 11(3)(b)(viii) to serve the balance of a former member's unexpired term of office in accordance with subsection (5)(a), that service is not considered a term for the purposes of subsection (3)(b).

(7) Notwithstanding subsections (1) and (2), a person appointed as a member of the senate under section 11(3)(b)(i) to (vii) ceases to hold office when the member ceases to occupy the position or perform the function that qualifies the member for the appointment.

(8) Notwithstanding subsections (1) to (4), when a senate is satisfied that an appointed or representative member is, for any reason, no longer capable of acting as a member or of fulfilling the member's duties, the senate may, on the vote of not less than 2/3 of the members present when the vote for removal from office is taken, remove that member from office.

Duties of senate

13(1) It is the duty of a senate to inquire into any matter that might benefit the university and enhance its position in the community.

(2) Without restricting the generality of subsection (1), a senate may

- (a) require a report on any matter from any faculty or school council, the council of the students association, the council of the graduate students association and any member of the academic staff of the university,
- (b) receive and consider submissions from anyone interested in the university,
- (c) acquire and provide information with respect to the university and its functions through public meetings, radio and television programs and any other means that it considers appropriate, and
- (d) make any report and recommendations respecting the matters referred to in clauses (a) to (c) that it considers

advisable to the board, the general faculties council or the Minister.

Administration of senate

14(1) There is to be an executive committee of the senate consisting of the chancellor and 6 to 12 other members of the senate to be selected annually by the senate, which shall exercise the powers and perform the duties and functions that are assigned to it by the senate.

(2) Each year a senate may submit a budget to the board for approval and the board shall, in accordance with the approved budget, provide the senate with the funds required to meet the cost of staff and supplies and any other expenses that may be incurred by the senate in fulfilling its duties.

Report to senate

15 The president shall report annually to the senate on the academic work of the university and as to its progress and requirements and make any recommendations on them that the president considers necessary.

Board of Governors

Board of governors

16(1) The Lieutenant Governor in Council shall by order establish a board of governors for each university.

(2) Each board is a corporation with the name given to it by the Lieutenant Governor in Council.

(3) A board shall consist of the following members:

- (a) a chair of the board appointed by the Lieutenant Governor in Council;
- (b) the chancellor of the university, if the university has a chancellor;
- (c) the president of the university;
- (d) the following members appointed by the Minister:
 - (i) 2 alumni of the university nominated by the alumni association, if there is an alumni association;

- (ii) in the case of a comprehensive academic and research university, one member of the senate nominated by the other members of the senate from among the members appointed under section 11(3)(b)(viii) or elected under section 11(3)(c);
 - (iii) 2 members of the academic staff of the university, one of whom is nominated by the general faculties council and one of whom is nominated by the academic staff association;
 - (iv) 2 students nominated by the council of the students association;
 - (v) if the university has a graduate students association, one graduate student nominated by the council of the association;
 - (vi) one member of the non-academic staff nominated by the non-academic staff association;
 - (e) not more than 9 members representative of the general public, in addition to the chair, appointed by the Lieutenant Governor in Council;
 - (f) additional persons appointed by the Lieutenant Governor in Council on the recommendation of the Minister.
- (4) The members of a board may elect one member to act as chair in the absence of the chair or in the event of the chair's inability to act.
- (5) The members of the board must act in the best interests of the university.
- (6) If a board advises the Lieutenant Governor in Council that an appointed member of the board is, for any reason, no longer capable of acting as a member or of fulfilling the member's duties, the Lieutenant Governor in Council may terminate the appointment of the member.

2003 cP-19.5 s23;2018 c19 s10

Elected members

24(1) The faculty council of each faculty and the school council of each school that has a school council may elect from the full-time members of the academic staff of the faculty or school the number of members to the general faculties council that may be assigned to it pursuant to subsection (2).

- (2) The general faculties council from time to time
- (a) shall establish the total number of elected members to be on the general faculties council, which shall be twice the number of persons who are members of the general faculties council by virtue of their offices, and
 - (b) shall determine and assign to each faculty and school the number of members that may be elected by that faculty or school, which so far as is reasonably possible shall be in the same proportion to the total number of elected members as the number of full-time members of the academic staff of the faculty or school is to the total number of full-time members of the academic staff of all the faculties and schools.
- (3) A member elected under subsection (1) holds office for a term of 3 years or until the member's successor is elected.
- (4) Notwithstanding subsection (3), a member elected under subsection (1) ceases to hold office if the member ceases to be a full-time member of the academic staff of the faculty or school.
- (5) Notwithstanding subsection (3), a faculty council or school council
- (a) shall, as circumstances require, elect members to hold office for one-year or 2-year terms so as to provide overlapping terms of office for the representatives of the faculty or school, and
 - (b) may, when a member ceases to hold office before the expiry of that member's term of office, elect a new member to hold office for the remainder of the unexpired term.

2003 cP-19.5 s24;2018 c19 s11

Additional members

25 The members of the general faculties council referred to in section 23(a), (b) and (c) shall appoint the members referred to in section 23(d) from the staff and students of the university, in the number and for the terms of office that the elected and student members and persons who are members by virtue of their offices determine.

2003 cP-19.5 s25;2018 c19 s12

Powers of general faculties council

26(1) Subject to the authority of the board, a general faculties council is responsible for the academic affairs of the university and,

without restricting the generality of the foregoing, has the authority to

- (a) exercise any power of a faculty council that the general faculties council considers desirable to exercise;
- (b) consider and make decisions on the reports of the faculty councils as to the programs of study in the faculties;
- (c) determine all programs of study to which clause (b) does not apply that are to be offered by the university for credit toward the requirements for any degree, diploma or certificate;
- (d) determine the timetables for examinations and for lectures and other instruction in each faculty;
- (e) consider and make decisions on the reports of faculty councils as to the appointment of examiners and the conduct and results of examinations in the faculties;
- (f) provide for the granting and conferring of degrees other than honorary degrees;
- (g) provide for the preparation and publication of the university calendar;
- (h) hear and determine appeals from the decisions of faculty councils on applications, requests or petitions by students and others;
- (i) consider all matters reported to it by any faculty council and communicate its opinion or action on those matters to the faculty council concerned;
- (j) determine the date for the beginning and end of lectures in the university and also the beginning and end of each university term;
- (k) make rules and regulations for the management and operation of libraries;
- (l) recommend to the board the establishment of faculties, schools, departments, chairs and programs of study in the university in any subject that the general faculties council thinks fit;
- (m) make rules and regulations respecting academic awards;

- (n) determine standards and policies respecting the admission of persons to the university as students;
 - (o) make recommendations to the board with respect to affiliation with other institutions, academic planning, campus planning, a building program, the budget, the regulation of residences and dining halls, procedures in respect of appointments, promotions, salaries, tenure and dismissals, and any other matters considered by the general faculties council to be of interest to the university;
 - (p) authorize lecturing and teaching on the university premises by persons other than members of the staff of the university;
 - (q) authorize a school to have a school council of the same nature and with the same powers, duties and functions as a faculty council and, in its discretion, revoke any authority so given.
- (2) Any recommendations from the general faculties council to the board must be transmitted to the board through the president.
- (3) A general faculties council may delegate any of its powers, duties and functions under this Act, including the powers referred to in section 31, as it sees fit and may prescribe conditions governing the exercise or performance of any delegated power, duty or function, including the power of subdelegation.

Deans' Council

Deans' council

- 27(1)** Each university must have a deans' council that shall consist of
- (a) the president, who is the chair,
 - (b) the vice-presidents,
 - (c) the dean of each faculty, and
 - (d) any other officers of the university that may be designated by the council.
- (2) The deans' council is an advisory body to the president of the university, the board and the general faculties council and has the powers, duties and functions that are delegated to it.

Faculty and School Councils

Faculty councils

28(1) Each faculty of a university must have a faculty council.

(2) A faculty council, other than that of a faculty of graduate studies, shall consist of

- (a) the dean of the faculty, who is the chair,
- (b) the president,
- (c) all full-time members of the academic staff of the faculty,
- (d) any representative of a professional association appointed pursuant to subsection (4), and
- (e) any other persons who are appointed to the faculty council by the general faculties council on the recommendation of the faculty council.

(3) The faculty council of a faculty of graduate studies shall consist of

- (a) the dean of the faculty, who is the chair,
- (b) the president, and
- (c) any other persons who are appointed to the faculty council by the general faculties council.

(4) When by statute a body has regulatory powers in respect of a profession for which a faculty offers a program of study, the general faculties council shall appoint to the faculty council of that faculty a representative of that body nominated by that body.

Powers of faculty councils

29(1) A faculty council may

- (a) determine the programs of study for which the faculty is established,
- (b) appoint the examiners for examinations in the faculty, conduct the examinations and determine the results of them,
- (c) provide for the admission of students to the faculty,
- (d) determine the conditions under which a student must withdraw from or may continue the student's program of studies in the faculty, and

- (e) authorize the granting of degrees,

subject to any conditions or restrictions that are imposed by the general faculties council.

(2) A meeting of a faculty council must be held at any time on the summons of the dean of the faculty.

(3) A faculty council may delegate any of its powers, duties and functions under this Act as it sees fit and may prescribe conditions governing the exercise or performance of any delegated power, duty or function, including the power of subdelegation.

2003 cP-19.5 s29;2009 c11 s3

School councils

- (a) the director of the school may exercise and perform all the powers, duties and functions of a dean of a faculty, and
- (b) the school council shall be of the same nature as and may exercise the powers and perform the duties and functions of a faculty council,

subject to any conditions or restrictions that are imposed by the general faculties council.

Student Affairs

Student discipline

31(1) The general faculties council has general supervision of student affairs at a university and in particular, but without restricting the generality of the foregoing, the general faculties council may

- (a) subject to a right of appeal to the board, discipline students attending the university, and the power to discipline includes the power
 - (i) to fine students,
 - (ii) to suspend the right of students to attend the university or to participate in any student activities, or both, and
 - (iii) to expel students from the university;
- (b) delegate its power to discipline students in any particular case or generally to any person or body of persons, subject

to any conditions with respect to the exercise of any delegated power that it considers proper;

- (c) give to a student organization of the university the powers to govern the conduct of students it represents that the general faculties council considers proper.

(2) Any powers to govern the conduct of students given to a student organization pursuant to subsection (1)(c) are subject to the overriding control of the board, the president and the general faculties council.

Council on student affairs

32(1) A general faculties council may establish a council on student affairs to exercise immediate jurisdiction over student affairs with respect to any matters and in any manner the general faculties council determines and to exercise or perform any other powers, duties and functions the general faculties council determines.

(2) A council on student affairs may consist of

- (a) members of the academic staff of the university,
- (b) students of the university, and
- (c) officers of the university who have administrative responsibility for student affairs.

(3) A council on student affairs may make bylaws governing the calling of its meetings and the quorum and conduct of business at its meetings and generally as to the conduct of its affairs.

Establishment of Comprehensive Community Colleges as Undergraduate Universities or Polytechnic Institutions

Establishment as undergraduate universities or polytechnic institutions

32.1(1) Notwithstanding anything in this Act, the Lieutenant Governor in Council may by order, effective on the date set out in the order, establish an existing comprehensive community college as an undergraduate university or a polytechnic institution, and the university or polytechnic institution so established is deemed to have been established respectively under section 3.1 or 40.

- (2) An order under subsection (1) must designate the name of the university or polytechnic institution, as the case may be, and the name of its board of governors.
- (3) Where an order is made under subsection (1) to establish a comprehensive community college as an undergraduate university or polytechnic institution, as the case may be,
- (a) the board of governors of the comprehensive community college is continued under the name set out in the order, and is deemed established as the board of governors of the undergraduate university or polytechnic institution, as the case may be, with the powers and duties of a board of an undergraduate university or polytechnic institution, as the case may be, and with the same members until the membership is changed in accordance with section 16 or 43, as the case may be, or the terms of office of the members expire,
 - (b) the academic council of the comprehensive community college becomes,
 - (i) in the case of the establishment of the comprehensive community college as an undergraduate university, the general faculties council of the undergraduate university, with the powers and duties of a general faculties council of an undergraduate university, and with the same members until the membership is changed in accordance with section 23 or the terms of office of the members expire, or
 - (ii) in the case of the establishment of the comprehensive community college as a polytechnic institution, the academic council of the polytechnic institution, with the same members until the terms of office of the members expire,
 - (c) the academic staff association of the comprehensive community college is continued and becomes the academic staff association of the undergraduate university or polytechnic institution, as the case may be, with the powers and duties of an academic staff association of an undergraduate university or polytechnic institution, as the case may be, and with the same executive membership until the terms of office of the members expire, and
 - (d) the students association of the comprehensive community college is continued and becomes the students association of the undergraduate university or polytechnic institution, as

the case may be, with the powers and duties of a students association of an undergraduate university or polytechnic institution, as the case may be, and with the same council membership until the terms of office of the members expire.

Powers and duties

47(1) An academic council

- (a) shall make recommendations or reports to the board with respect to any matter that the board refers to the academic council, including academic policy related to the following matters:
 - (i) standards and policy respecting the selection and admission of students other than students in apprenticeship technical training under the *Apprenticeship and Industry Training Act*;
 - (ii) courses and programs of instruction or training provided or to be provided by the board;
 - (iii) academic awards,
- (b) shall, in accordance with the process established under section 45(3), review proposed programs of study to be offered by the comprehensive community college or polytechnic institution, and make a report respecting that review, and
- (c) may make recommendations or reports to the board on any other matter the academic council considers advisable.

(2) A recommendation or report of an academic council under subsection (1) must be in writing and must be transmitted to the board through the president for consideration at its next meeting.

2003 cP-19.5 s47;2018 c19 ss27,59,60

Alternative academic council

47.1(1) Instead of having an academic council established under section 46, a comprehensive community college or polytechnic institution that meets the criteria established under the regulations may, with the written approval of the Minister, establish an academic council in accordance with the procedures established in the regulations under subsection (4).

(2) Section 47 does not apply to an academic council established under this section.

(3) If a comprehensive community college or polytechnic institution establishes an academic council under this section, any academic council established for that comprehensive community

college or polytechnic institution under section 46 or continued for that comprehensive community college or polytechnic institution under Part 5 is dissolved.

(4) The Lieutenant Governor in Council may make regulations for the purposes of this section, including regulations

- (a) respecting the establishment of criteria that a comprehensive community college or polytechnic institution must meet in order to be eligible to apply for approval to establish an academic council under subsection (1),
- (a.1) respecting the procedures for establishing and dissolving academic councils under this section,
- (b) respecting the composition of academic councils established under this section, and
- (c) prescribing the powers and duties that academic councils established under this section may exercise or perform.

Term of office and vacancy

56(1) Subject to sections 52(4), 57 and 101, a person appointed as a member of a board

- (a) holds office for a term not exceeding 3 years as prescribed in the appointment, and
- (b) continues to hold office after the expiry of the person's term of office until the person is reappointed, the person's successor is appointed or a period of 3 months has elapsed, whichever occurs first.

(2) An appointed member of a board is eligible for reappointment for a 2nd term but not for a further term until a period of 3 years following the member's 2nd term has expired.

(2.1) Repealed 2018 c19 s30.

(3) Notwithstanding subsection (2), but subject to the *Alberta Public Agencies Governance Act* and any applicable regulations under that Act,

- (a) the chair of a board is always eligible for reappointment or redesignation on the conclusion of the chair's term of office, and
- (b) an appointed member of a board is eligible for appointment or redesignation as chair even though the member has, at the time of the member's appointment or redesignation, concluded 2 terms as a member of the board.

(4) If a vacancy occurs on a board, a person may be appointed as a member of the board to serve the balance of the unexpired term of office of the former member

- (a) by the Lieutenant Governor in Council, if the former member was appointed by the Lieutenant Governor in Council,
- (b) by the Minister, if the former member was appointed by the Minister, or
- (c) by the remaining members of the board, if the former member was appointed under section 52(1)(d).

(5) When a member is appointed under subsection (4) to serve the balance of an unexpired term, that service is not considered a term for the purposes of subsection (2).

Majority and quorum

58(1) A majority of the persons holding office from time to time as members of a board constitutes a quorum of the board.

(2) As long as there is a quorum of the board,

- (a) the board is deemed to be properly constituted notwithstanding that there are any vacancies on the board, and
- (b) any resolution or bylaw passed by a majority of the members present at a meeting of the board at which a quorum is present binds all the members of the board.

Board Powers and Duties

Natural person powers

59(1) A board has the capacity and, subject to this Act, the rights, powers and privileges of a natural person.

(2) With respect to any right, power or privilege exercisable by the board, the Lieutenant Governor in Council may, by regulation,

- (a) prohibit the use of the right, power or privilege;

- (b) restrict the use of the right, power or privilege;
- (c) provide that the right, power or privilege be exercised subject to any terms or conditions prescribed in the regulations.

(3) Notwithstanding subsection (1), the board of a public post-secondary institution shall not engage in or carry on any activity that is not within the mandate of the public post-secondary institution contained in the investment management agreement entered into under section 78.

2003 cP-19.5 s59;2008 c25 s9;2020 c3 s3

General powers and duties

60(1) The board of a public post-secondary institution shall

- (a) manage and operate the public post-secondary institution in accordance with its mandate,
- (b) develop, manage and operate, alone or in co-operation with any person or organization, programs, services and facilities for the economic prosperity of Alberta and for the educational or cultural advancement of the people of Alberta,
- (c) establish admission requirements for students of the public post-secondary institution other than students in apprenticeship technical training under the *Apprenticeship and Industry Training Act*, and
- (d) make and publish rules
 - (i) respecting the enrolment of students to take courses, programs of study or training provided by the board, and
 - (ii) governing the taking of courses, programs of study or training provided by the board.

(2) Subject to section 58.6 of the *Labour Relations Code*, the board of a public post-secondary institution other than Banff Centre may, after consulting with the academic staff association of the institution and with any other bargaining agent representing employees of the institution affected by the designation or change in designation, do one or more of the following:

- (a) designate categories of employees as academic staff members of the public post-secondary institution;
- (b) designate individual employees as academic staff members of the public post-secondary institution;

- (c) change a designation made under clause (a) or (b) or under section 5(2) or 42(2).

Tuition fees and mandatory non-instructional fees

61(1) The board of a public post-secondary institution shall set

- (a) the tuition fees to be paid by students of the public post-secondary institution, other than students enrolled in apprenticeship technical training at the public post-secondary institution, and
- (b) the mandatory non-instructional fees to be paid by students of the public post-secondary institution, including students enrolled in apprenticeship technical training at the public post-secondary institution.

(2) The tuition fees and mandatory non-instructional fees referred to in subsection (1) for all public post-secondary institutions other than Banff Centre must be set in accordance with this section and the regulations.

(3) In setting the tuition fees for an academic year, the board may increase the tuition fees to be paid by domestic students, subject to any restrictions on increasing tuition fees set out in the regulations,

- (a) if the average tuition fee increase per domestic student does not exceed the product of
 - (i) the average tuition fees per domestic student in the preceding academic year, excluding any tuition fees that were subject to an exceptional tuition fee increase in that year,multiplied by
 - (ii) the percentage annual change in the Alberta CPI, determined in accordance with the regulations,

or

- (b) in respect of a specific approved program of study, by means of an exceptional tuition fee increase made in accordance with the regulations.

(3.1) The limitations on increasing tuition fees described in subsection (3) do not apply with respect to the 2020-2021, 2021-2022 and 2022-2023 academic years, and the board may increase the tuition fees to be paid by domestic students in relation

to these years in accordance with any restrictions on increasing tuition fees set out in the regulations.

(4) The Minister may by order prohibit the boards of all public post-secondary institutions other than Banff Centre from increasing tuition fees for domestic students and mandatory non-instructional fees for an academic year.

(5) If the board of a public post-secondary institution other than Banff Centre sets a mandatory non-instructional fee, the board shall set an amount for the fee that is less than or equal to the cost incurred by the public post-secondary institution to provide the goods or to deliver the services for which the fee is set.

(6) The board of a public post-secondary institution other than Banff Centre shall not introduce a new mandatory non-instructional fee unless the board has obtained written approval from each of the public post-secondary institution's students' councils.

Delegation of powers

62 A board may delegate in writing to any person any power, duty or function conferred or imposed on it by this Act, except the power to make bylaws.

Settlement of questions

63(1) In this section, “body”,

- (a) in respect of a comprehensive academic and research university, means a senate, a general faculties council, a deans’ council, a faculty council, a faculty, a school council and a school of the university,
- (b) in respect of an undergraduate university, means a general faculties council, a deans’ council, a faculty council, a faculty, a school council and a school of the university, and
- (c) in respect of a comprehensive community college or polytechnic institution, means an academic council of the comprehensive community college or polytechnic institution.

(2) Where the powers or duties of any officer, employee or body of a public post-secondary institution are not definitely provided for in this Act, the board of the public post-secondary institution shall decide any question that arises regarding those powers and duties.

(3) The decision of the board under subsection (2) is final.

2003 cP-19.5 s63;2018 c19 s34

Student discipline

64 The board of a comprehensive community college, polytechnic institution or Banff Centre may

- (a) discipline students attending the public post-secondary institution, and the power to discipline students includes the power

- (i) to fine students,
 - (ii) to suspend the right of students to attend the public post-secondary institution or to participate in any student activities, or both, and
 - (iii) to expel students from the public post-secondary institution,
- and
- (b) delegate its power to discipline students in any particular case or generally to any person or body of persons, subject to any conditions with respect to the exercise of any delegated power that it considers proper.

2003 cP-19.5 s64;2018 c19 s35

Collection of personal information

65 The board of a public post-secondary institution may require a student of the public post-secondary institution to provide personal information to the board if

- (a) the personal information relates directly to and is necessary for an operating program or activity of the public post-secondary institution,
- (b) the Minister requires the board to collect the personal information under section 118, or
- (c) the Minister requires the board to collect the personal information under the regulations.

Acquisition of land

66(1) A board may acquire any interest in land for the purposes of the board in conducting the affairs of the public post-secondary institution.

(2) If the Lieutenant Governor in Council considers it appropriate the Minister may, on a request by the board, expropriate land for the purposes of the public post-secondary institution.

(3) If the Minister expropriates land on behalf of the board, the board shall pay to the Minister the costs associated with the expropriation and the compensation payable to the owner of the land by the Minister.

2003 cP-19.5 s66;2005 c44 s6

Disposition of land

67(1) In this section,

- (a) “donated land” means land that has been donated or devised to a public post-secondary institution or its board, other than land donated by a municipality, the Government of Alberta or the Government of Canada;
- (b) “support services” has the meaning given to it in the regulations.

(1.1) A board shall not, without the prior approval of the Minister,

- (a) sell or exchange any interest in land, other than donated land, that is held by and being used for the purposes of the board, or
- (b) lease for a term that exceeds 5 years any land held by the board unless the lease is to a person that will use the land for the purpose of providing support services to the students, faculty or staff of the public post-secondary institution.

(2) Notwithstanding subsection (1.1), a board may dispose of minerals held by it in any manner it considers proper.

(3) A sale, exchange or lease referred to in subsection (1.1) is subject to any trust in accordance with which a board holds the land or the interest in land.

2003 cP-19.5 s67;2007 c7 s4;2020 c3 s3

Ownership of intellectual property

68(1) Unless otherwise agreed to by the board, the ownership of any invention, work, information or material, regardless of form, including any patent, copyright, technological or industrial design process or trademark acquired or produced by an officer of the post-secondary institution or an employee of the board that results from or is connected with the officer’s or employee’s duties or employment vests in the board and may be made available to the public under conditions, on payment of fees or royalties or otherwise, as the board may determine.

(2) The board may compensate a person described in subsection (1).

(3) The board may enter into an agreement with a person to whom the board has provided or proposes to provide facilities, equipment or financial aid providing for the respective rights, obligations and liabilities of the board and the person with respect to the ownership of any invention, work, information or material, regardless of form,

including any patent, copyright, technological or industrial design process or trademark acquired or produced by the person while engaged in a project funded in whole or in part by the board.

Pensions and annuities

69(1) For the purposes of this section,

- (a) “designated pension plans” means the Local Authorities Pension Plan, the Management Employees Pension Plan, the Universities Academic Pension Plan, the Public Service Pension Plan and the Teachers’ Pension Plan;
- (b) “registered pension plan” means a pension plan which is registered or accepted for registration under the *Income Tax Act* (Canada).

(2) A board may

- (a) apply for pension coverage under one or more designated pension plans for its employees,
- (b) subject to approval of the proposed plan by the Lieutenant Governor in Council, establish a registered pension plan as an alternative to a designated pension plan for its employees who do not participate in a designated plan referred to in clause (a), provided that the employer contribution rate to that plan does not exceed the employer contribution rate to the comparable designated pension plan,
- (c) subject to approval of the proposed plan by the Minister, establish a pension plan which is supplementary to a plan referred to in clause (a) or (b), and
- (d) make the appropriate employer contributions to such plan or plans.

(3) A pension plan established before the coming into force of this Act and listed in the regulations is deemed to have been validly established, effective from the date the plan was established, notwithstanding that the plan may not have been given the approval or designation required by the enactment under which it was established.

Financial Matters

Fiscal year

70 The fiscal year of a board is the period established as the fiscal year by the Minister.

Auditor

71 The Auditor General is the auditor of the board of a public post-secondary institution other than Banff Centre.

Borrowing

72(1) A board may borrow from any bank or treasury branch or from any other person any sum of money required to meet the expenses of the public post-secondary institution until the time the revenues for the current year are available.

(2) Any borrowings made pursuant to subsection (1) must be repaid out of and are a first charge on the revenues of the current year, and may be secured by a promissory note or notes given on behalf of the board in any manner the board may arrange.

(3) Subject to the approval of the Minister, a board may for the purposes of the public post-secondary institution, as defined in section 73, borrow by way of temporary loans from any bank or treasury branch or from any other person any sums of money on any terms that the board determines, by way of an overdraft or line of credit or by the pledging as security for the temporary loans of notes, bonds, debentures or other securities of the board pending the sale of them, or instead of selling them, or in any other manner the board determines.

(4) Any cheques, promissory notes or other instruments that may be necessary or desirable in connection with the borrowing of money and the obtaining of advances by way of a temporary loan under subsection (3) may be executed in any manner the board determines.

Debenture borrowing

73(1) Subject to the approval of the Minister, a board, for the purposes of the public post-secondary institution, may from time to time borrow any sums of money the board requires and may from time to time issue notes, bonds, debentures or other securities that

- (a) bear interest at a rate or rates determined by the board,
- (b) are in a denomination or denominations determined by the board,
- (c) are payable as to principal and interest
 - (i) in the currency or currencies of any country or countries,
 - (ii) at any place or places,

- (iii) at any time or times, and
- (iv) in any manner,
determined by the board,
- (d) may be made redeemable in whole or in part in advance of maturity
 - (i) at any time or times,
 - (ii) on any terms, and
 - (iii) at any price or prices, either with or without premium,
determined by the board, and
- (e) may be issued in amounts that will realize the net sum required by the board for the purposes of the public post-secondary institution.

(2) When the authorizing resolution of a board made under subsection (1) contains a recital or declaration that the amount of the notes, bonds, debentures or other securities authorized by the resolution is necessary to realize the net sum required for the purposes of the public post-secondary institution, the recital or declaration is conclusive proof of the facts stated in it.

(3) Subject to the approval of the Minister, a board may sell or otherwise dispose of any notes, bonds, debentures or other securities on any terms and conditions it considers advisable, either at their par value or at less or more than their par value, and may charge, pledge, hypothecate, deposit or deal with any of those securities as collateral security.

(4) Any notes, bonds, debentures or other securities and the coupons, if any, attached to them must be in the form and must be executed in the manner and by the persons determined by the board.

(5) In this section, “purposes of the public post-secondary institution” includes

- (a) acquiring any real property;
- (b) erecting, repairing, adding to, furnishing or equipping any building;
- (c) the repayment or refunding from time to time of the whole or any part of any borrowings made by the board;

- (d) the payment of any other liability or indebtedness of the board;
- (e) the carrying out of any of the powers and duties of the board.

2003 cP-19.5 s73;2020 c3 s3

Guarantees

74(1) If approved by the Lieutenant Governor in Council and in accordance with the regulations, the principal and interest of any amount borrowed by a board or notes, bonds, debentures and other securities issued by a board may be guaranteed by the Crown.

(2) Without prior approval of the Lieutenant Governor in Council a board may not give a guarantee of the obligations of any other person.

Banking and investment

75(1) A board must, for the purposes of short-term cash management, keep its funds in a bank, a treasury branch, a credit union, a loan corporation or a trust corporation.

(2) When making investments a board must adhere to the investment and lending policies, standards and procedures approved under subsection (3).

(3) The board must, by resolution, approve policies, standards and procedures that a reasonable and prudent person would apply in respect of a portfolio of investments to avoid undue risk of loss and to obtain a reasonable return.

(4) The contravention of subsection (2) does not by itself make any agreement or transaction void or invalid.

Pooled trust fund

76(1) In this section, “pooled trust fund” means a fund that consists of a trust fund and one or more other funds combined for the purpose of investment and that allocates to each trust an amount computed by reference to the value of that trust’s proportionate interest in the assets of the fund.

(2) A board may

- (a) provide for the establishment, management, investment and winding-up of a pooled trust fund,
- (b) alter the terms and conditions of a trust to allow the trust to participate in a pooled trust fund,

- (c) alter the terms and conditions of a trust to enable income earned by the trust to be withheld from distribution to avoid fluctuations in the amounts distributed and generally to regulate the distribution of income earned by the trust,
- (c.1) alter the terms and conditions of a trust to enable the board to encroach on the capital of the trust to avoid fluctuations in the amounts distributed and generally to regulate the distribution of income earned by the trust if, in the opinion of the board, the encroachment benefits the public post-secondary institution and does not impair the long-term value of the fund, and
- (d) provide for remuneration for the trustee of a pooled trust fund and the trusts that participate in the pooled trust fund out of the income earned by the pooled trust fund.

2003 cP-19.5 s76;2007 c7 s5

Approval respecting Financial Administration Act

77 A board must obtain the approval of the Minister for

- (a) an incorporation,
- (b) the acquisition of a subsidiary corporation either directly or indirectly through the acquisition of a majority of shares in the corporation, or
- (c) the dissolution of a corporation

prior to seeking Lieutenant Governor in Council approval under the *Financial Administration Act*.

Accountability of Board

Investment management agreements, budgets and capital plans

78(1) In this section and sections 79 and 80, “board” includes the governing body of a publicly funded private post-secondary institution assigned to the Independent Academic Institutions sector under section 102.2(3)(b).

(2) A board shall enter into an investment management agreement with the Minister that includes

- (a) the mandate of the institution,
- (b) performance metrics for the institution, and
- (c) anything else determined by the Minister.

(3) The mandate of a public post-secondary institution referred to in subsection (2)(a) must be consistent with the role of the sector to which the public post-secondary institution has been assigned under section 102.2(2).

(4) The Minister may establish the form of the agreement referred to in subsection (2) and the date by which the agreement must be entered into.

(5) The board shall prepare and approve a budget, which must be submitted to the Minister on or before the date specified by the Minister.

(6) The board of a public post-secondary institution shall not submit a budget in which consolidated operating expense exceeds consolidated operating revenue unless the board has the written approval of the Minister to do so.

(7) The board of a public post-secondary institution must prepare and approve a capital plan, which must be submitted to the Minister on or before the date specified by the Minister.

(8) The following are deemed to satisfy the requirement of a board as the governing body of an accountable organization under section 10(2) of the *Fiscal Planning and Transparency Act* to prepare and give to the Minister a business plan for each fiscal year in the form, at a time and containing the information acceptable to the Minister:

- (a) the entering into by the board with the Minister of an agreement under subsection (2) that applies to that fiscal year;
- (b) the preparation and approval by the board of a budget under subsection (5) and of a capital plan under subsection (7), and the submission of the budget and the capital plan to the Minister in the form and containing the information acceptable to the Minister on or before the date specified by the Minister.

Protection from liability

119(1) Neither a board, nor the members of a board, nor any officer or employee of a board is liable for any act or omission of an academic staff association, a student organization or a student.

(2) A member of a senate, a board or an initial governing authority is not personally liable for anything done by the senate, the board or the initial governing authority, as the case may be, or for anything done by the member in good faith in the purported exercise or performance of the member's powers, duties and functions under this Act.

Exemption from expropriation

120 The power to expropriate land conferred by any statute on a municipality or any other person does not extend to the land of a public post-secondary institution or student organization unless the statute conferring the power is made in express terms to apply to the land of a public post-secondary institution or student organization, as the case may be.

Development of land

121(1) In this section,

- (a) "development" means
 - (i) any construction or excavation in, on, over or under land, or
 - (ii) any change in the use of any land, buildings or premises;
- (b) "primarily commercial purposes" means primarily commercial purposes as defined in the regulations.

(2) The board of a comprehensive academic and research university must, in accordance with the regulations, provide to the Minister a long-range land use and development plan relating to land owned by or leased to that board.

(3) Subject to subsections (3.1), (4) and (5), the following do not apply to any use or development of real property owned by or leased to the board of a comprehensive academic and research university:

- (a) an enactment that requires, in the use or development of land, compliance with any building code or similar bylaw, land use bylaw, statutory plan as defined in Part 17 of the

Municipal Government Act or any similar resolution or regulation;

- (b) an enactment that requires, in the use or development of land, approval or permission to be given by any municipal or other authority before that use or development is commenced.

(3.1) The board of a comprehensive academic and research university must act in accordance with any applicable ALSA regional plan.

(4) The *Safety Codes Act* and the regulations under it, including any code adopted under that Act, apply to the use and development of any land owned by or leased to a public post-secondary institution.

(5) Subject to the regulations, subsection (3) does not apply to the use or development of real property for primarily commercial purposes.

Division 1.1
Validity and Enforcement
of Bylaws

Transitional**129.1(1)** In this section,

- (a) “amendment Act” means the Post-secondary Learning Amendment Act, 2010;
- (b) “BASI” means a public post-secondary institution assigned under section 102.2(2) to the Baccalaureate and Applied Studies Institutions sector;
- (c) “board of governors” includes,
 - (i) for the purposes of subsection (2),
 - (A) an initial governing authority established under section 4 of this Act,
 - (B) a board as defined in the *Universities Act*, RSA 2000 cU-3, and
 - (C) an interim governing body established under section 4 of the *Universities Act*, RSA 2000 cU-3,and
 - (ii) for the purposes of subsection (3),
 - (A) an initial governing authority established under section 41 of this Act,
 - (B) a college board as defined in the *Colleges Act*, RSA 2000 cC-19, and
 - (C) an interim governing authority established under section 3 of the *Colleges Act*, RSA 2000 cC-19;
- (d) “instrument” includes a resolution, a regulation, a bylaw, a rule and a policy.

(2) If, before the coming into force of section 3 of the amendment Act, the board of governors of a university made or purported to make an instrument under

- (a) section 15 of the *Universities Act*, SA 1966 c105, as that section read at any time before its repeal,

- (b) section 15 of the *Universities Act*, RSA 1970 c378, as that section read at any time before its repeal,
- (c) section 17 of the *Universities Act*, RSA 1980 cU-5, as that section read at any time before its repeal,
- (d) section 17 of the *Universities Act*, RSA 2000 cU-3, as that section read at any time before its repeal, or
- (e) section 18(2)(a) of this Act, as that clause read at any time before the coming into force of section 3 of the amendment Act,

respecting a matter that section 18(2)(a) of this Act authorizes the board of governors to make a bylaw respecting, the instrument is conclusively deemed to be a valid bylaw for all purposes.

(3) If, before the coming into force of section 4 of the amendment Act, the board of governors of a BASI, or of any public post-secondary institution that later became a BASI, made or purported to make an instrument under

- (a) section 36 of the *Colleges Act*, SA 1969 c14, as that section read at any time before its repeal,
- (b) section 36 of the *Colleges Act*, RSA 1970 c56, as that section read at any time before its repeal,
- (c) section 10 of the *Colleges Act*, RSA 1980 cC-18, as that section read at any time before its repeal,
- (d) section 16(1) of the *Colleges Act*, RSA 2000 cC-19, as that subsection read at any time before its repeal, or
- (e) this Act, as it read at any time before the coming into force of section 4 of the amendment Act,

respecting a matter that section 61.1 of this Act authorizes the board of governors to make a bylaw respecting, the instrument is conclusively deemed to be a valid bylaw for all purposes.

(4) No action taken under an instrument that is deemed by subsection (2) or (3) to be a valid bylaw, including, without limitation,

- (a) the collection of a fee,
- (b) the imposition and collection of a penalty, including a fine, for failure to pay a fee levied under the instrument, or

- (c) the removal or impoundment of a vehicle parked or left in contravention of the instrument,

is invalid solely because the instrument under which the action was taken was invalid before the coming into force of this section, and no refund, restitution or other compensation shall be paid in respect of any fees or penalties, including fines, collected under the instrument.

(5) This section is retroactive to the extent necessary to give full force and effect to its provisions and must not be construed as lacking retroactive effect in relation to any matter by reason that it makes no specific reference to that matter.

(6) This section applies despite any former Act and despite any decision of a court to the contrary.
