B. Campus Recreation

Campus Recreation strives to create a vibrant, connected, healthy University community through quality recreation programs at the University of Alberta and to engage academic program areas to further the Faculty's goal of integration. It accomplishes these objectives by: creating and organizing valuable recreation experiences that enhance the University community, offering scholarships such as the Hugh Hoyles Student Leadership Award that recognizes developing student leaders and their contribution to sport and wellness, and by affording PER students opportunities to be engaged in the recreational sports field through the PERLS 105 practicum. Through diverse programs, such as teams, non-credit classes clubs and special events, students and staff create dynamic groups that interact and engage with each other at the U of A. It essentially acts as a community builder on campus. In a survey of over 2,600 students at USA post secondary institutions, participation in campus recreation programs was found to be a key determinant of satisfaction and success in college (National Intramural Recreation Sports Association, 2004). While this study has not been replicated on the U of A campus, the high levels of involvement in Campus Recreation program suggest that these programs are highly valued by students and staff.

Campus Recreation Mission Statement

Campus Recreation seeks to create a sense of community through quality recreation programs at the University of Alberta.

Campus Recreation Guiding Principles

- We are leaders in recreational programming focused on the development of the University of Alberta community.
- We create and organize valuable recreation experiences that enhance the lives for the university community.
- We believe in the positive impact recreation has on people's lives.

1. Programs Offered

Participation in Campus Recreation programs continued to grow in 2009-2010 to 26,654 participants. Campus Recreation offers programs for students, staff, alumni and the community in the following programs:

Intramural Program

The Intramural Program is structured for team and individual competitions and there are levels suitable for everyone, from the highly skilled to the beginner player. The program offers a Men's, Women's and Co-Recreational Divisions. 72 activities were offered; 13,274 participants are registered in the activities. The Intramural Program is comprised of 82% undergraduates, 12%graduate and 4% staff.

Group Fitness

Group Fitness classes are scheduled on a regular basis throughout the entire year and generally have between 15-60 participants per class. Nine different types of classes are offered in several sections throughout each term, including aerobic, yoga (Ashtanga, Classical, Iyengar), kickbox, Pilates, cycle, stretch and tone, yoga fusion. Over 70 classes per week are offered during the academic year and 5154 participants pursued a healthier lifestyle through the Group Fitness program in 2009-2010. The participation is still high in the fitness area with 88% of the classes full and many significant waitlists. Yoga and Pilates continue to be the most sought after class type, with classes filled by mid-morning on the first day of registration.

Instructional Recreation Classes

Instructional Recreation Classes introduce individuals to a beginning level of knowledge and skill in a myriad of recreation and leisure activities. The goal is to learn new skills that have continuous use for a lifetime. Nineteen types of classes were offered in 64 different classes sessions during the year, including ballet, argentine tango, belly dancing, jazz, salsa, urban funk, social dance, judo, taekwondo, aikido, Brazilian jiu jitsu, karate, squash, ice skating, fencing, Capoeira, golf, first aid, and CPR. 3121 members of the U of A community develop new skills.

Sport and Recreation Clubs

Campus Recreation Sport Clubs Program recognizes the value of physical activity as a vehicle for creating lifelong leadership skills, citizenship and social development foundations for University of Alberta students. As an integral component of the Campus Recreation program and the Faculty of Physical Education and Recreation (FPER), the Sport Clubs Program strives to meet the recreational and competitive needs of the University of Alberta student community in a wide variety of sport and recreation activities. Student interest and dedication will lead to the development of sport clubs that will further students' extra-curricular and leadership experiences at the University of Alberta (UA). The program focuses on students as the primary target audience. This program model emphasizes student leadership and development by providing parameters under which UA student club leaders and UA student members make choices regarding the operation of the club. As a recognized program of Campus Recreation the delivery model provides the financial framework, procedural oversight and policy guidelines to follow Unit, Faculty and University requirements. Campus Recreation seeks to provide student's valuable leadership experiences and create a sustainable student sport clubs structure from year to year. The number and type of Sport Clubs will be directly related to student interest. Any type of sport and recreation pursuit that is consistent with the mission of the FPER and is not a duplication of services is inclusive to all students and can show adequate student interest is eligible to apply for membership.

The membership of the sport clubs for the past year was 877 active participants. The 20 Sport Clubs registered with Campus Recreation in 2009-2010 were: Cheer, Badminton, Dance, Fencing, Figure Skating, Highland Dance, Judo, Cross Country Ski, Men's Rugby, Paddling, Powerlifting, Ringette, Rowing, Squash, Synchronized Swimming, Tae Kwon Do, Triathlon, Ultimate Frisbee, Water Polo, Women's Fastball.

Orchesis Dance Program

For dancers interested in modern and jazz dancing, and an opportunity to perform, the Orchesis Modern Dance Group offers dancers of all abilities expert tuition and outstanding opportunities in dance and choreography, in the oldest and most dynamic modern dance troupe in Alberta. Dance training through weekly modern and jazz dance classes. Performance opportunities with yearly membership, such as Dance Motif, an annual concert showcasing Orchesis choreography and talent. Various technical styles of modern dance such as Limón, Graham, and Cunningham with floorwork, barré exercises and traveling movement phrases, accompanied by live musicians.

MOVE-U Campus Community Programs and Special Events

Special Event opportunities for students, staff and their families, such as Turkey Trot for the United Way, World's Largest Hip Hop Class for United Way, Outdoor Skating Party, Snowboard and Ski Day, Old Tyme Skating Party with the University of Alberta Concert Band, Corporate Challenge, Family Fun Sunday, Sunday Night Drop-in and Ladders for Prizes. Stick and Skate is a new activity in this program area. Special Events had 4228 participants in 2009-2010.

Residence Hall Satellite Programs

Campus Recreation works cooperatively with Residence Services to provide activities and equipment in the Residence Halls and the Campus St. Jean Campus. This program has Student Coordinators and host organized activities during the academic year.

Recreational Use Schedule

Campus Recreation coordinates the daily posting of recreational spaces available in the Van Vliet Centre for drop-in recreation.

Cooperative Programming

Campus Recreation delivers recreational programs and services with other areas the University of Alberta, such as the Students' Union, Dean of Students Office, Health Promotion and Worklife Services.

Campus Recreation values the integrated approach to leadership within the Faculty

PER's integrated nature has led to opportunities for student integration, with the collaborative efforts of instructing the PERLS 105 course and providing upgrading and training for the CLASS Recreation Management Software System.

Campus Recreation Advisory Committee

The Campus Recreation Advisory Committee is composed of students from a diverse number of Faculties on campus. This advisory group provides feedback on the convenient, affordable, and high quality opportunities that Campus Recreation provides.

Campus Recreation Professional Service

Hosted the Western Canadian Campus Recreation Conference with over 100 delegates at the University of Alberta in January 2010. Dr. Leah Hall Dorothy is Chair of the Membership Committee of the National Intramural and Recreational Sports Association and Chair, of the Western Canadian Campus Recreation Association.

3. Campus Recreation Funding Model

Student Fees for Athletics and Recreation - Athletic and Recreation Fee

Mandate

The Athletic and Recreation fee is allocated in support of student-centred activities, such as varsity teams, varsity games, Campus Recreation programs, facility access, facility operation and recreational use times.

Principles for Distribution of the Fee

The Athletic and Recreation fee is at all times dedicated to the budgets of the Services components of the Faculty of Physical Education (Athletics, Campus Recreation, Operations) and to the Development Office. These Services components are separate and distinct from the academic component of the Faculty, and the Faculty holds to the principle that there is never any flex of surplus or deficit between the academic and the Services budget.

The Athletic and Recreation fee is divided among the three Services units in the manner that will provide optimum use of the fee, taking into account the priorities of the Services units and the needs of the students.

The allocation of the Athletic and Recreation fee is done at all times in a transparent manner so that the Faculty of Physical Education and Recreation can show clearly and consistently how the fee has been allocated and the benefits that accrue to the students.

It is the Faculty's principle to provide opportunities for student consultation and input relative to the use of the Athletic and Recreation fee.

Campus Recreation Enhancement Fund – Students’ Union Dedicated Fee

Mandate

To be distributed to undergraduate students, student groups and for the purpose to ensure that programs, equipment, and facilities offered by the University of Alberta Campus Recreation remain of high quality, diverse, convenient, accessible, and affordable to undergraduate students. Only Campus Recreation related programs, equipment, and facilities or activities that enhance campus recreation can be funded.

Current Level of Fee 2009 – 2010 Campus Recreation Enhancement Fund Distribution

\$3.60 per student per term \$274,980 was allocated to twenty-two programs and student groups*
 (*Not all allocated to Campus Recreation programs; other beneficiaries included Campus Saint-Jean, Climbing Complex, Fitness Centre, Aquatics Centre, Tier III Athletics, and Equipment Room)

4. Campus Recreation promotes the positive impact recreation has on people's lives

Campus Recreation plays a dynamic role at the University of Alberta as a leader in health and wellness initiatives. Through extracurricular programs, Campus Recreation offers physical, psychological and social benefits for U of A students and staff. Student leadership is woven into the Campus Recreation structure and is visible throughout the program in peer leaders such as team captains, practicum students, unit managers, instructors, club executive and recreation facilitators. University of Alberta staff members are highly visible in the integrated approach to programming. The ability of the Campus Recreation professional staff to create a setting that is responsive to student and staff needs, and balanced in the types of activities offered, keeps the program on the leading edge of campus recreation programs in Canada.
