

**FELLOWSHIP APPLICATION
 POSTDOCTORAL TRAINING PROGRAM IN CLINICAL MICROBIOLOGY**

Part 1: Personal Information

Last Name: _____ First Name: _____

Current Address:

Permanent Address:

Home and Business Phone Numbers: _____

Email: _____

Citizenship: Canadian Citizen Permanent Resident

Other (specify) _____

First Language: English French

Other (provide TOEFL) _____

Date

Applicant Signature

I permit the distribution of information contained within this application form for the purpose of application to the Postdoctoral Clinical Microbiology Fellowship Program, University of Alberta, Faculty of Medicine & Dentistry, Department of Laboratory Medicine & Pathology

Part 2: Personal Statement

Enclose a personal statement explaining why you are interested in applying to the Clinical Microbiology Fellowship Program. This letter should also detail your long and short term goals.

Part 3: Curriculum Vitae (CV)

Enclose a copy of your current CV. Please ensure to include the following information:

Education

- Undergraduate and doctoral or medical degrees
- Postdoctoral training or specialty certifications

Clinical Experience

Teaching Experience

Research Experience

Other Work/Volunteer Experience relevant to Clinical Microbiology, Hematology, Molecular Biology or Clinical Chemistry

Publications including papers and abstracts

Awards and Accomplishments

Part 4: Transcripts

Please include a copy of your official transcripts (BSc, MSc, Ph.D.)

Part 5: Degrees

Please include copies of your awarded degrees.

If education was obtained at an institution outside of the USA and Canada, an evaluation must be submitted from a credentials evaluation agency.

(Note that applicants may apply in the final year of their Ph.D., but are required to defend their thesis and complete their program requirements prior to May 2024.)

Part 6: References

Please provide the names, positions, mailing addresses and email addresses of three referees whom you have asked to write a letter of support for your application. Please have referees send reference letters directly to Julie Van Hill micromepc@ualberta.ca

1.

2.

3.

Part 7: Application Package

- Application form
- Personal statement
- Curriculum vitae
- Official transcripts
- Degrees (with accompanying equivalency assessment, if applicable)
- Three letters of reference (sent directly to micromepec@ualberta.ca)

Return application materials by email on or before September 30, 2023 at **16:00MT** to Julie Van Hill at micromepec@ualberta.ca

Because we receive many applicants for the program, the Postdoctoral Clinical Microbiology Fellowship Committee will review these materials to determine eligibility for the program. The top three applicants will be contacted for an interview and the application package of the strongest candidate will be forwarded to the Postgraduate Medical Education Committee for funding consideration.
