Daylight savings time and longer sunny days: Spring must be out there somewhere! I often think that Spring is my favourite season, and then it’s Summer, and then it’s Autumn. Sometimes it’s even the cozy but bright days of Winter. Aren’t we lucky to experience the glory the four seasons?

As the seasons change, so our year advances. Our Spring Luncheon was on March 29th. Many thanks to Karen Bain, for arranging for our speaker Dr. Gillian Lemermeyer. Please take a moment to read Karen’s report further into this Newsletter.

Next up is our Annual General Meeting (AGM). Once again Karen has found us a super interesting speaker, one of our own, Cathie Crooks. You’ll find all the information further into the Newsletter.

Beyond the pleasure of hearing our speaker and sharing a dinner together, the AGM is the time when we report to membership and make transitions on the Board of Directors. We have the natural move of Vice-President Marilyn Wiens to President, I become Past-President, and current Past-President Donna Gorday rotates off the Board. (We hope she will remain available for the occasional consultation!) Some current Board members ending their terms. Pat Petersen, Membership Director (and a former President, and a current Convener…), is stepping down, as is Karen Bain at Programs. Lorraine Hinch has kindly agreed to remain as Secretary until we can find someone to take her position. There is the continuing vacancy at Publicity. You may already have been asked to consider joining the Board, or you may be thinking about on your own. Please step forward! The tasks are not onerous, and the rewards are many. It truly is enriching to work with the many talented and joyful women on our Board. The UAWC is a social club, and that carries through to the Board work. While there are responsibilities, they are well defined, and the Board members support each other. Thank you in advance for your consideration to join us!

Below are examples and updates on some of the activities of the Board over the past few months.

Our membership process has been streamlined. The new membership form will be ‘live’ by the time we gather for our AGM. You will get confirmation of your registration after you’ve filled out the on-line form, and then you’ll be directed to the payment process. For those wanting paper, the paper form is still available, as is the option to pay by cheque, cash or credit-card.

We are working with a University of Alberta Communications student, to revamp our publicity strategies. The pandemic led to some changes to the University’s on-boarding procedures; they no longer do the ‘tabling’ event where we would display our brochures and meet new hires. This is now all done virtually. In addition, the change in our membership criteria has opened new possibilities. Stay tuned!

Our Annual Celebration Tea will be held in June, details are still being confirmed. We are looking forward to celebrating our 90th Anniversary next year. All ideas are welcome!

Finally, a few notes of Thanks.
To the Women on the Board: Thank you, you are all so competent and generous with your knowledge and time. It’s a pleasure to work with you!
To our Convenerers: Thank you, you are the leaders keeping everyone connected and engaged.
To our Members: Thank you, for your participation and your support of our wonderful club!
Have you thought of Joining the Board of Directors? Positions still need to be filled.

Vice-President: Vacant
Membership: Vacant
Secretary: Vacant
Publicity: Vacant

**EVENT Highlights**

**January Tour**

Jim Franks and several of his staff provided a comprehensive tour of the new University of Alberta Archives, Research and Collections Resource Facility on January 20. Located on South Campus, this is the repository for permanently valuable records of the University of Alberta and affiliated institutions.

Although some of us had knowledge of prior U of A archives, this new facility sets an incomparable modern standard.

We were given an overview of the building process, then an opportunity to look at documents, including some related to early Faculty Women’s Club meetings. Walking around the building, we were able to see documents being digitalized, numerous shelves of materials, books and records comprising five million holdings. We were introduced to the process used to apply for and borrow materials as well as the shipping area. Technology plays a major role in this unique building, including temperature and humidity controls, lighting, storage techniques, and protection of these priceless documents. This was an informative and enjoyable morning.

**Spring Luncheon & Lecture 2023**

Wednesday March 29 we relaunched our annual Spring get-together. Our last event was in March 2020, just days before the world-wide pandemic shutdown. How nice it was to gather in the Saskatchewan Room, with windows all around, the sun shining and reflecting off the snow. Spring in Edmonton!

Our invited speaker was Dr. Gillian Lemermeyer, PhD, RN, an Assistant Professor in the Faculty of Nursing at the University of Alberta. Dr. Lemermeyer started by demystifying the ‘what is AI?’ Beyond our cell phones and Google searches, she expanded on the varied ways Artificial Intelligence is influencing our lives. How is our personal health data being collected and used? Who owns our health data? How is the data being controlled for bias? How is AI (i.e. robots) impacting nursing and other fields of medical practices?

There was a brief amount of time for some good questions before Dr. Lemermeyer had to run off to teach her students, our future nurses. Thank you Dr. Lemermeyer.

Thanks also to Karen Bain, who had previously heard Dr. Lemermeyer speak, and had the idea to invite her to present at our Luncheon. Thanks to Marilyn G, Norma G, Katia T and Marcia B for their participation.

Almost 40 women gathered for the lecture and the buffet lunch and several members brought guests to introduce them to the club. Bonnie A won the draw for the registration to our AGM, and other members left with beautiful violets as door prizes. Thanks to all for attending. It was wonderful to see you.

Happy Spring to all the members of all the interest groups. I’m pleased to hear that so many of you have resumed gathering after our long Covid break although I’m aware that some of you have not been able to reach the numbers that were previously in attendance. A more detailed report will be available for the AGM as year end reports are still arriving.

Cross Country Skiing
Convener: Karen Doucet

What a great winter it has been for skiing! We’ve been out almost every week since mid-December. A few weeks off for the holidays, but really we’ve been quite consistent.

We stayed in town, on the very accessible trails at Mayfair, Victoria & Riverside golf courses, and Gold Bar Park.

The City of Edmonton has been very good at grooming the trails this year. We’re not sure what made the difference, but hope it continues next year.

If you’d like to join us, please email me at karenlizdoucet@gmail.com. I will add you to the email list. All abilities are welcome!

**Couples Who Cook:**

**Convener:** Peggi Ferguson-Pell

CWC has been busy since our last newsletter with wonderful dinners in November, January and February. It's been so great to get together again - and almost feels normal - whatever that is!

November saw us celebrating with a *60th Anniversary of the Trans-Canada Highway Dinner* - who knew? So all our recipes had to come from the provinces and included in our visits were: the Maritimes for a fantastic chowder, Quebec for a savoury pork pate, Manitoba for a surprising cheesy/egg log, Alberta for beef (of course), and BC for delicious desserts and a surprising appetizer of baked panko brussels sprouts *Parmesan Brussels Sprouts with Sour Cream Herb Dip - Yay! For Food (yayforfood.com)*. We even ended the evening with Chicken Bones from New Brunswick! Did you know that Chicken Bones are made by Ganong - Canada’s oldest independently owned candy company - and it's based in St. Stephen, NB (Canada’s Chocolate Town)? It was a fun dinner from coast to coast.

In January we went totally retro with *A Mad Men Dinner - Celebrating the Best (?) of 1960s Cuisine* - martini shakers and jello molds included (not!). We combed through recipes from a *Mad Men* cookbook, a cookbook by Rene Verdon (former White House chef to the Kennedys), and more childhood memories than some of us would care to admit to. It was a splendid dinner that even Jackie would have enjoyed and included '60s stalwarts such as: Deviled Eggs Florence, Roquefort Log, Avocados Stuffed with Shrimp (*Layered Shrimp & Avocado Cream | Canadian Living*), Chicken a la King on Vol-au-Vents (of course we had vol-au-vents!), Tomatoes a la Provençale, Waldorf Salad (*Waldorf Salad Recipe With Apples and Walnuts (thespruceeats.com)*), and two '60s dessert musts - Cherries Jubilee and Pineapple Upside-down Cake (*Recipe: McCall's Old Fashioned Pineapple Upside Down Cake - RecipeLink.com*). Eat your heart out Don Draper!

In February we acknowledged the 1-year mark of the war in Ukraine with *A Ukrainian Dinner*. We began with Piroshki (*Traditional Ukrainian Piroshki Recipe - Egg and Rice Hand Pies | The Pure Taste*) which can have many different fillings both savoury and sweet but we went with a vegetarian one, then a wonderful Borscht (*Ukrainian Borscht Recipe (Beet Soup) - iFoodReal.com*) served with Garlic Pampushki (Ukrainian garlic bread). Our main dish was Chicken Kyiv served with Draniki (potato pancakes) and a tomato cucumber salad, and we ended the evening with a magnificent Kyiv Cake (*Kyiv Cake (Ukrainian Classic) - Momsdish*).

As we look toward spring, we are looking forward to more dinners before the end of the year and - as always - you are very welcome to join us with your presence and ideas for dinner themes. Please call or email me if you are interested - there's always a place at the table for you!

I've included a couple photos to tempt you and your taste buds. Happy dining!

**Knitting Group:**
**Convener:** Linda Capjack

The knitters have been meeting in person in member’s homes this year, so that is a welcome change. Some wonderful sweaters with amazing detail are in the works as well as an obsession with the little Sophie Scarf that many members have been trying. We are planning a field trip in May to the Fibre Nook and hope we can get an update on new trends in the knitting world, and then out for a luncheon before taking a break for the summer.

**Walking Group:**
**Convener:** Linda Weiner/ Margot Wanke

The Thursday morning walking group walks year round in all kinds of weather. We have a rotating schedule of trails in different parts of the city, in and around ravines, and the river valley. We enjoy walking in all the seasons of the year, although winter presents challenges. When there’s a polar vortex and it’s below -22C, we reschedule to walk on the indoor track at Kinsmen. When it’s icy, we wear special footwear and some use walking sticks. We’re now looking forward to spring! Sometimes we go somewhere for coffee after the walk. It’s a lot of fun!

**Zumba Group**  
**Convener:** Sheela Hota-Mitchell  
Licenced Zumba Instructor

As we brave another winter of temperature ups and downs, we have stayed warm and fuzzy in our Zumba Gold interest group. A small but dedicated group meets every Monday at 9 am over Zoom to greet the week with a smile (and sheen!). Many of our group also join in on the regular Zumba (shown with Gold modifications) over Zoom every Friday at 9 am. So, our weekdays have been bookended with dancing (that incorporates mobility and balance work) to easy-to-follow choreography set to world and well-known pop rhythms. I like to say that we can travel the world—visiting the Caribbean, Mexico, Brazil, Spain, India, and Africa— in less than an hour, all without leaving our homes! I love incorporating themed songs and choreographies (e.g. for the winter holidays, Valentine’s Day, St. Patrick’s Day and most recently, my annual Easter-themed class, where I teach while wearing bunny ears and a poofy tail! I always leave my attendees with a thorough cooldown and stretch to an uplifting song that feels like a hug :).

**Afternoon Book Group**  
**Conveners:** Christine Forth and Jeanette Fedorak

Meet third Thursday of each month at 1:30 p.m.

After a break in December, the afternoon book club has continued to meet at members’ homes. The discussions are always great and often have some personal stories related to the books.

The books discussed since January include:

- The Mother Tree by Suzanne Simard in January
- Two Solitudes by Hugh MacLennan in February
- Something from the Oven by Laura Shapiro in March
- Our April book will be The Lincoln Highway by Amor Towles.

Our May meeting will be special as Norma Gutteridge will be our guest, and will read from her recently published novel, *All Change*.

We will round out the year in June with a potluck, when we will vote on books for next year.

---

**Evening Book Club**  
**Convener:** Karen Bain

At the time of submitting this update, Evening Book Club has one final Zoom meeting, March 16. We then transition to in person meetings for April, May and June. For the past three years, the majority of our meetings have been online, an approach that has kept us actively reading and reviewing books monthly over the entire three year period, but has also been a true loss of personal interactions, face to face discussions as well as pre-covid, delicious snacks.

If anyone would like to join us April 20, our book is Vanity Fair. May 18 will be an interesting evening with guests from the UAWC Creative Writing Group joining us to discuss their recently published books and current writing. This is a wonderful opportunity to share our mutual interests.

As is the usual practice, our June meeting will involve selecting titles of books members would like to read and discuss the following year. Suggestions are sent to the convenor and a brief description of each book is combined into a list sent back to members approximately two weeks prior to the June 22 gathering. Participants then have the opportunity to defend, speak against, or otherwise debate and vote on eight choices. This meeting in the past involved a potluck dinner, but has not yet been arranged for this year. We usually have the Writer-in-Residence from the University or the author of a book selected join us for one meeting as well.

**Garden Group**  
**Convener:** Pat Petersen

The Garden Group has been as dormant as our gardens since the late fall. However, with Spring upon us, we have had 2 events. The first on March 17, at 1 PM at the Muttart Conservatory for the Spring Flower Show and the second on March 31 for the Orchid Show at the Enjoy Centre. Both shows were very good at convincing us that Spring is here. We always welcome new members to join us.
Reading Circle
Convener: Orla Ryan

Our circulation of books is almost at the halfway mark this month and will continue on until August. Some of the books that I have heard members say they have particularly enjoyed so far this year are: West with Giraffes by Linda Rutledge, a novel based on a true event that took place in the late 1930’s when two giraffes that had survived a hurricane at sea landed in New York harbour and were transported in a truck to the San Diego Zoo. This was a remarkable journey bringing the first giraffes ever to California. Bluebird by Genevieve Graham, a historic novel starting in a field hospital during World War 1 in France and continuing on to the illegal rum running between Ontario and the U.S. that took place after the war. Lessons in Chemistry by Bonnie Garmus, a story highlighting the many barriers faced by women in society, the workplace and home in the 1950’s and 1960’s told in a remarkably funny way.

We are all looking forward to the next good book arriving in our mailbox.

French Conversation Group
Convener: Sarah Nyland

The French Conversation Group is still on hiatus. Some of us met once in January.

1. Set language-learning goals.
2. Learn the “right” words.
3. Use flashcards.
4. Study smart.
5. Think in your target language.
6. Start using the language all day, every day.
7. Get plenty of comprehensible input.
8. Watch movies and use subtitles.
9. Join the French Conversation Group
INTEREST GROUPS:

Drawing Together Group
Convener: Margot Wanke

Our meetings are enjoyable gatherings which take place on the 4th Tuesday of each month; however, we do not meet in December. Each meeting is hosted by one of the ladies who arranges a few objects from which the group can choose something to draw. Towards the end of the meeting, there is always time to have a cup of coffee or tea with a cookie or a piece of cake. We welcome new members.

Golf
Convener: Bonnie Austen Donna Gorday

Spring is on the horizon. It is time to check on our golf clubs and to get ready for another season. We plan to golf at Victoria Golf Club this year. We have been given a slot on Wednesdays at 11:30 a.m.; starting in May. We play nine holes and appeal to those with some golf experience. Let us know if you would like to join in the fun. *While we book on a weekly basis, it is understood that we live busy lives and will not participate ever week.*

What You Can Learn From The Pros to Get Ready for Golf Season

1. Develop a Strong Strength Training Routine.
2. Winter Cardio Is Key.
3. Schedule Putting Practice.
4. Swing As Often As You Can.
5. Go For a Golf Club Fitting.
6. Regrip Your Golf Clubs.
7. Brush up on Rules.
8. Set a Goal for The Year.
Eunice Maureen Barron - February 1, 1933, to February 9, 2023

Our marvelous Eunice passed away peacefully on February 9, 2023. She had just celebrated her 90th birthday.

Her full obituary is below. In it, her involvement with our Club is noted. It is clear to all of us how much Eunice treasured the friendships she enjoyed with the FWC/UAWC.

We remember her as a past President, an organiser, a feisty tennis player, a hopeful golfer, an avid gardener, a discerning art lover, an active theatre goer, a good friend. She was special.

She will be missed!

Eunice is survived in England by her sister; Marian Attfield, her nephew Steven Attfield and niece Tina Attfield; and in Australia by her brother John Tumath, her niece Sarah Pfeiffer and her great nieces Madiyn and Mia Pfeiffer.

Eunice was born in London, England and educated in London at Pitman’s Secretarial College. After graduation, she joined a major London accounting firm as Executive Secretary to the junior partner.

In 1960 she married Ken Barron and they emigrated to Canada, where she was employed as the Court Reporter for the Ottawa Juvenile and Family Court. For 18 months, in 1965-1966 she accompanied her husband to South Africa when he was sent on an international exchange; here she worked as secretary to the Director of the Medical Department of the Council for Scientific and Industrial Research. Returning to Ottawa, she joined the Canadian Film Institute. In 1970, Ken was transferred to Calgary and Eunice worked at several part time positions. Eunice and Ken then moved to Edmonton where she joined the Alberta Cultural Heritage Foundation.

Eunice had a vibrant personality and was a natural organizer. Taking early retirement at age 59, she devoted her energies to organizing and participating in many organizations. In 1968, she took up field hockey at the age of 36 and, as usual, became deeply involved. She coached the Lakeview Community League Junior Girls team for 6 years and the Calgary All Stars Girls team at two tournaments. She acted as secretary to the Organizing Committee for the Canadian Men’s Field Hockey National Tournament, and as Chair of the Organizing Committee for the Canadian Women’s Field Hockey National Tournament, both held in Calgary in 1972. She was then appointed to the Board of Directors of the Canadian Women’s Field Hockey Association as Treasurer, a position which she held for 8 years.

Eunice was involved in tennis both as a player and Administrator. She played for over 70 years at a good intermediate level, winning a number of local events including the Ladies Doubles Gold Medal at the Airdrie, 1994. She organized inter-club play for the Greenfield Tennis Club for several years, was President of the Greater Edmonton Tennis Association for 8 years and was the tennis representative for the Alberta Sports and Recreational Association, Zone 6 for 20 years.
Eunice Maureen Barron cont’d  
February 1, 1933, to February 9, 2023

Both Eunice and Ken developed great interest in indigenous art and over the years built a major collection. In 1979 Eunice was the founding President of the Inuit Art Enthusiasts (IAE). Over the years she developed her knowledge, appreciation and expertise in Inuit Art and curated several exhibitions at the Art Gallery of Alberta, The Royal Alberta Museum and the McMullen Gallery. In 2014 she received the Seniors Association Award for services to Arts and Culture.

As a member of the Faculty Women’s Club (FWC), she has been active in many of their interest groups and has acted as coordinator or co-coordinator for the Theatre, Golf, Lunching Out and Art Gallery Tours Groups. She served as President of FWC in 2009/2010. Eunice also organized the Dining Out Group for the Association of Professors Emeriti for a number of years.

As a keen photographer, Eunice had a particular interest in wildlife and orchid photography and won awards at the Alberta Orchid Society shows and at the Alberta Senior Citizens Sports and Recreational Association.

A Celebration of Life for Eunice Barron will be held on Saturday, May 13 at 12:00 noon at her home located at 12619 65 Ave (Grandview Heights neighbourhood).

For those planning to go to attend, please RSVP by emailing the organizers at eunicembarron@hotmail.com.

In lieu of flowers, donations to the Canadian Heart and Stroke Foundation would be appreciated.

Pat Eidem passed away on the morning of April 7, 2023 following a gastrointestinal illness which culminated in a stroke. She was in her 95th year and although she had dementia she was still enjoying life. Pat was a keen bridge player and played with the bridge interest group for many years.

in loving memory
Welcome to Spring! It has been long awaited.

The time has come again to think about renewal of your membership for the coming 2023-24 year which starts in September. Our online registration will be up and running soon. We have decided not to take early registration before the AGM on May 3 as so many people don’t remember if they have registered when it is too far in advance of our September start date. This coming year you will get a confirmation of your registration by email so it will be easier to check whether or not you have registered. Those who don’t have email will receive a paper registration form along with a paper copy of this newsletter. Others are encouraged to use the online form on the website when it opens up in May.

Registration fees for 2023-24 will be $60 with no early bird reduction. The reason for dropping the early bird fee is our dwindling membership which is down to 131. This past year we lost many members who felt they could no longer participate following Covid-19 and because of reduced activities over the past few years.

However, activities are up and running again this year and with the amendments to our bylaws at the last AGM, our membership criteria now include many more U of A employees and spouses. If you know of anyone associated with the University who might be interested, please encourage them to join!
