Notes:

- MLCS 210 should be taken in your first or second year. MLCS 410 should be taken in third or fourth year of your degree. MLCS 495 (thesis) is taken in your final year, normally Fall term. Students doing combined honors replace MLCS 495 with INT D 520 and must apply to the Faculty of Arts Undergraduate Student Services by August 1.
- + Language requirement options:
 - 6 credits of a senior-level language in one single language (eg. SPAN 211/212) **AND**
 - 12 senior-level credits continuing in the same language, **OR** 12 senior-level credits in an additional language, **OR** 12 additional senior-level credits in LA ST courses
 - The languages must be offered in MLCS. Depending on your placement, you may need to complete the introductory 100-level first.
- *depending on your language placement, you may need to complete SPAN 111/112/211/212 before completing the other course requirements. SPAN 211/212 and above count towards the 54-60 credits of your major. If you have never studied Spanish, start in SPAN 111. If you have completed Spanish 30 (grade 12) in high school, register in SPAN 211. If you grew up in Canada but speak Spanish at home, register in SPAN 306. SPAN 300 is intended for students who have completed SPAN 211/212. For any questions, consult with the Spanish Language Coordinator. Required courses that you are not eligible to take may be substituted with any other SPAN 3XX or SPAN 4XX to make up the credit.
- Experiential learning options within this route include the Cuba study abroad program, Mexico, or Spain. Experiential learning credits can also be taken outside this route, eg. in other MLCS courses that offer CSL.
