February 25, 2020

Dear Class of 1955 and Honoured Guests,

The Faculty of Pharmacy and Pharmaceutical Sciences cordially invites you to a complimentary luncheon at the Faculty Club on Saturday, May 16, 2020 to celebrate your 65th class reunion!

We have already had several responses from those interested in attending this event, but there are a couple of folks that we have lost touch with over the years. If you happen to be in touch with any of the following people, we ask that you kindly pass along the invite to them: Thomas Rogers, Donald J. Warne, or Sylvia Crawford (Welgan).

Although some of your classmates have sadly passed away, we would still like to extend this invitation to any spouses of classmates that would like to attend in their absence.

Date: Saturday, May 16, 2020

Time: Doors will open at 11:00 am. Lunch will be served at 12:00 pm. Please feel free to stay around and chat following the luncheon, as we have the space until 2:00 pm.

Location: The Faculty Club, Papaschase Room (11435 Saskatchewan Drive NW, Edmonton, AB)

Parking: The closest Parking Lot is the V Lot (the entrance is on 116 Street). Parking is \$2 for the day, and there are some accessible stalls available if needed. If the V Lot is full, the Windsor Car Park directly south of the V Lot is \$5 for the day.

The Dean of the Faculty of Pharmacy and Pharmaceutical Sciences, Dr. Neal Davies, will be in attendance, as well as Assistant Dean of Advancement, Andrew MacIsaac, and myself, Ellen Doty, Development and Alumni Engagement Officer. We will also pass along the invite to any other Faculty members interested in attending.

We look forward to reminiscing with you about your time at the Faculty and celebrating this incredible milestone. We will be sure to take many photos to pass along to the group afterwards as well.

Please RSVP with your name and the names of any of your guests to Ellen Doty by **May 1, 2020** via email at edoty@ualberta.ca or via telephone at 780-492-3819. If you would prefer, you can also mail back the attached to:
