### **Sharing your contact information - even if you can't attend reunion events**

Thank you to the classmates that already gave permission to share their email and phone number with those attending the reunion. We will prepare lists for our classes and circulate them in early September. This will help those, especially from out of town, to meet informally for dinner on Friday night, or plan something on Sunday morning. If you have not yet given permission and would like to be included on the class contact list, **please indicate when confirming your attendance and payment by Wednesday , September 14.**

We also understand that many cannot attend, due to other commitments, family responsibilities and medical issues. If you would like to be included on this list, which is a great way to reconnect with classmates we have lost touch with over the years, let your class organizers (below) know. The information on this class list will not be shared with anyone outside of the class, or shared with the university unless you specifically give us permission.

We look forward to seeing you at our reunion. If you have any questions, please contact us as indicated below, or the Office of Alumni Relations at [alumni@ualberta.ca](mailto:alumni@ualberta.ca).

Regards,

Your Planning Committee:
