PLEDGE OF PROFESSIONALISM

As a student of pharmacy, I recognize the need to build and reinforce a professional identity founded on integrity, ethical behaviour, and honour.

As a member of the pharmacy community I will pursue all academic and professional endeavours with honesty, integrity, and commitment to the health and wellbeing of my patients.

As a student pharmacist, I will strive to uphold this pledge:

DEVELOP a sense of loyalty, duty, responsibility, and accountability to the profession of pharmacy.

FOSTER professional competency through self directed and continual learning. I will strive for high ideals, teamwork, and unity amongst members of the profession and health care community.

CONDUCT myself in a professional and ethical manner within the academic and practice setting.

ADVOCATE a sense of pride and respect for the profession of pharmacy, while striving to promote the profession amongst my colleagues and the community.

MAINTAIN the highest ideals of patient care and professional virtues.

SUPPORT my colleagues by actively encouraging commitment to the Alberta College of Pharmacy Code of Ethics and adhere to the essential skills and abilities of a student pharmacist at the University of Alberta.

As a student of the Faculty of Pharmacy and Pharmaceutical Sciences, I commit to uphold this pledge personally and hold the health and safety of each patient to be the primary consideration.

CODE OF ETHICS

As a pharmacist, I must:

1. Hold the well-being of each patient to be my primary consideration,
2. Respect each patient’s autonomy and dignity,
3. Maintain a professional relationship with each patient,
4. Respect each patient’s right to confidentiality,
5. Respect each patient’s right to health care,
6. Advance public health and prevent disease,
7. Use health resources responsibly,
8. Serve as an essential health resource,
9. Ensure that I am competent,
10. Act with honesty and integrity,
11. Demonstrate responsibility for self and other health professionals, and
12. Nurture the profession.
