

### Accepted Human Anatomy Pre-requisite Courses for MSc PT Program

Province	University	Course Number	Course Name	Course Weight	Notes
Alberta	Ambrose University College	ZOO 265	Anatomy	3	
Alberta	Grand Prairie Regional College	PE 1000	Structural Anatomy	3	
Alberta	Grant MacEwan University	NURS 105	Human Anatomy	3	No longer offered
Alberta	Grant MacEwan University	HLSC 120	Human Anatomy	3	Distance Education
Alberta	Grant MacEwan University	PEDS 100	Structural Anatomy	3	
Alberta	Keyano College	PEDS 100	Structural Anatomy	3	
Alberta	Kings College	BIOL 207	Human Anatomy	3	
Alberta	Medicine Hat College	PHED 261 / KNES 261	Human Anatomy	3	No longer offered
Alberta	Medicine Hat College	KNES 261	Human Anatomy	3	
Alberta	Mount Royal University	BIOL 1203	Human Anatomy	3	No longer offered
Alberta	Mount Royal University	BIOL 2203	Human Anatomy	3	Formerly BIOL 1214
Alberta	Mount Royal University	PHED 1224	Human Anatomy	3	
Alberta	Mount Royal University	PHED 1001	Human Anatomy	3	
Alberta	Mount Royal University	HPED 1512 / PHYL 1512	Human Anatomy	3	Formerly PHED 1001
Alberta	Mount Royal University	HPED 2112	Clinical Musculoskeletal Anatomy	3	Will be accepted as long as PHED 1001 was taken as well. The grade from the most recent course taken will be used in the overall admission score.
Alberta	NAIT	SPFT 120	Human Anatomy	3	
Alberta	NAIT	ANAT 1120	Human Anatomy	3	Formerly SPFT 120
Alberta	Red Deer College	KNSS 200	Structural Human Anatomy	3	
Alberta	University of Alberta	PTHER 350	Structural Human Anatomy	3	Distance Education. Formerly REHAB 350.
Alberta	University of Alberta	ANAT 200	Human Morphology	3	
Alberta	University of Alberta	ANAT 403	The Human Body	6	
Alberta	University of Alberta	KIN 100	Structural Anatomy	3	Formerly PEDS 100
Alberta	University of Alberta	KIN 400	Human Gross Anatomy	3	Formerly PEDS 400
Alberta	University of Alberta	NURS 140	Anatomy	3	
Alberta	University of Alberta (Augustana)	AUPED 112	Structural Human Anatomy	3	
Alberta	University of Calgary	KNES 261/PHED 261	Human Anatomy	3	No longer offered
Alberta	University of Calgary	KNES 259/260	Human Anatomy & Physiology I & II	6	3 credits of Anatomy and 3 credits towards the Physiology requirement. Both courses must be taken and completed within the dates listed on the Application Requirements website to meet the Anatomy requirement.
Alberta	University of Calgary	MDSC 521	Human Anatomy	3	
Alberta	University of Lethbridge	KNES 2600	Functional Human Anatomy	3	
Arkansas	University of Arkansas	BIOL 2443/2441	Human Anatomy	3	
British Columbia	Camosun College	BIOL 143	Anatomy for Sport Education	3	
British Columbia	Camosun College	AET 340/341	Anatomy of the Upper & Lower Extremities	3	Both courses must be taken and completed within the dates listed on the Application Requirements website to meet the Anatomy requirement.
British Columbia	College of the Rockies	HKIN 190	Basic Human Anatomy	3	
British Columbia	Douglas College	BIOL 3701	Human Anatomy for Health Care Professionals	3	
British Columbia	Quest University	LIF 3407/3412/3417	Human Anatomy & Physiology A, B & C	3	The combination of these three courses satisfies our 6 credit Human Physiology prerequisite and 3 credit Human Anatomy prerequisite.

British Columbia	Simon Fraser University	BPK 325	Basic Human Anatomy	3	Distance Education. Formerly KNES 325.
British Columbia	Simon Fraser University	BPK 326	Functional Anatomy	3	Formerly KNES 326
British Columbia	Thompson Rivers Open-Learning University	KIN 325	Basic Human Anatomy	3	No longer offered
British Columbia	Thompson Rivers Open-Learning University	KIN 3259	Basic Human Anatomy	3	No longer offered
British Columbia	Thompson Rivers University	BIOL 3701	Human Anatomy for Health Care Professionals	3	Distance Education
British Columbia	Trinity Western University	HKIN 446	Advanced Human Anatomy	3	Formerly HKIN 400 - Special Topics in Anatomy. Content is same and either course is approved.
British Columbia	University of the Fraser Valley	KPE 170	Basic Human Anatomy	3	
British Columbia	University of the Fraser Valley	KPE 190	Basic Human Functional Anatomy	3	
British Columbia	University of British Columbia	ANAT 400	Human Anatomy	3	
British Columbia	University of British Columbia	KIN 110	Human Anatomy	3	
British Columbia	University of British Columbia	KIN 390	Human Functional Musculoskeletal Anatomy	3	Formerly KIN 489 - content is the same and either course is approved. <b>Students must take the KIN 190 prerequisite at UBC in order to be granted Anatomy credit for this course.</b>
British Columbia	University of British Columbia	CAPS 391	Introduction to Gross Human Anatomy	3	Formerly ANAT 391
British Columbia	University of British Columbia	CAPS 393	Human Anatomy for Physical Therapy Students	3	Formerly ANAT 393
British Columbia	University of British Columbia - Okanagan	HMKIN 391	Advanced Functional Anatomy	3	
British Columbia	University of British Columbia - Okanagan	HMKIN 495D	Advanced Gross Anatomy	3	
British Columbia	University of Northern British Columbia	HHSC 105	Functional Human Anatomy	3	
British Columbia	University of Victoria	EPHE 141	Introductory Human Anatomy	3	
British Columbia	University of Victoria	EPHE 355	Fuctional Anatomy	3	
British Columbia	Vancouver Island University	PHED 201	Human Anatomy	3	
California	San Jose State University	BIOL 65	Human Anatomy	3	
California	UC Berkeley	BIOL X-104	Human Anatomy	3	
California	UC LA	PhySci 107	Anatomy	5	
Colorado	Colorado State University	BMS 310	Anatomy for the Health Professions	3	Distance Education
Florida	University of Florida	ATR 6124	Clinical Anatomy for the Exercise Sciences	3	
Grenada	St. George's University	ANAT 550		3	
Idaho	Boise State University	KINES 270	Applied Anatomy	3	
Maine	University of New England	ANAT 1005	Anatomy for the Health Professions	3	Distance Education (formerly DPPP 378)
Manitoba	Brandon University	15:414	Advanced Human Anatomy	6	
Manitoba	Brandon University	94:414	Advanced Human Anatomy	3	
Manitoba	University of Manitoba	PHED/KIN 2320	Human Anatomy	3	
Manitoba	University of Manitoba	BIOL 1410	Anatomy of the Human Body	3	
Manitoba	University of Winnipeg	KIN 2301	Human Anatomy	3	
Missouri	Missouri State University	BMS 307	Human Anatomy	3	
Missouri	Northwest Missouri State University	BIOL 436	Human Anatomy	3	
New Brunswick	University of New Brunswick	BIO 1711/2812	Human Anatomy I & II	6	Both courses must be taken and completed within the dates listed on the Application Requirements website to meet the Anatomy requirement.
New Brunswick	University of New Brunswick	BIOL 1752	Human Anatomy II	3	
Newfoundland	Memorial University	HKR 2310	Human Anatomy	3	
Newfoundland	Memorial University	HKR 2311:	Anatomy	3	
Newfoundland	Memorial University	KIN 2310	Human Anatomy	3	
New York	D'Youville College	BIO 339/639	Human Gross Anatomy	3	
North Dakota	Dickinson State University	BIOL 211	Human Anatomy	3	
North Dakota	University of Jamestown	KNS 290	Human Anatomical Studies	3	
North Dakota	University of North Dakota	ANAT 204/204L	Anatomy for Paramedical Personnel	3	The associated 2 credit lab (204L) must also be taken in order for this course to be accepted for the prerequisite.
Nova Scotia	Acadia University	KINE 1413	Applied Human Anatomy	3	
Nova Scotia	Dalhousie University	ANAT 1010	Basic Human Anatomy	3	Distance Education

Nova Scotia	Dalhousie University	ANAT 1020	Basic Human Anatomy	3	
Nova Scotia	Dalhousie University	KIN 2320	Kinesiological Anatomy	3	
Oklahoma	University of Central Oklahoma	BIOL 2404	Human Anatomy & Laboratory	3	
Oklahoma	University of Tulsa	BIOL 2153	Human Anatomy	3	
Oklahoma	Southwestern Oklahoma State University	BIOL 2104	Human Anatomy	3	
Ontario	Brock University	CHSC 2F95	Human Anatomy	6	
Ontario	Brock University	HLSC 2F95	Human Anatomy/ Functional Human Anatomy	3	
Ontario	Brock University	PEKN 2P04 / KINE 1P98	Musculo-skeletal Anatomy	3	No longer offered
Ontario	Sheridan College	ANAT 14178	Anatomy	3	
Ontario	Lakehead University	BIOL 2020	Human Anatomy	6	No longer offered
Ontario	Lakehead University	BIOL 2011	Human Musculoskeletal Anatomy	3	
Ontario	Lakehead University	BIOL 2012	Human Internal Anatomy	3	Must be taken in combination with BIOL 2011 to be sufficient for prerequisite
Ontario	Laurentian University	PHED 1506/1507	Anatomy & Kinesiology	6	Both courses must be taken and completed within the dates listed on the Application Requirements website to meet the Anatomy requirement.
Ontario	McMaster University	KIN 4J03	Functional Anatomy	3	
Ontario	McMaster University	KIN 2E03	Musculoskeletal Anatomy	3	
Ontario	Nipissing University	PHED 2216	Functional Human Anatomy	3	
Ontario	Queen's University	ANAT 100	Anatomy of the Human Body	3	
Ontario	Queen's University	ANAT 101	Introductory Human Anatomy	3	
Ontario	Queen's University	ANAT 315	Human Musculoskeletal System	3	
Ontario	Queen's University	ANAT 215/216	Principles of Human Morphology	3	Both courses must be taken and completed within the dates listed on the Application Requirements website to meet the Anatomy requirement.
Ontario	Trent University	BIOL 1050	Human Anatomy	3	
Ontario	University of Guelph	HK 3401/2	Human Anatomy: Dissection	6	Full year course must be taken to meet the pre-requisite requirement
Ontario	University of Guelph	HK 3501/2	Human Anatomy: Prosection	6	Full year course must be taken to meet the pre-requisite requirement
Ontario	University of Guelph - Humber	KIN 1030 & 1040	Human Anatomy	3	Both courses must be taken and completed within the dates listed on the Application Requirements website to meet the Anatomy requirement.
Ontario	University of Ontario Institute of Technology	HLSC 3470	Anatomy of Human Movement	3	
Ontario	University of Ottawa	APA 1313/1713	Musculoskeletal Anatomy	3	1713 is French version of 1313 (Previously APA 1213 & APA 1613)
Ontario	University of Toronto	ANA126	Human Anatomy for Physical Health & Education	3	
Ontario	University of Toronto	ANA 300Y	Human Anatomy & Histology	6	
Ontario	University of Waterloo	BIO 301	Human Anatomy	3	Previously Bio 210, which is no longer offered
Ontario	University of Waterloo	KIN 100	Human Anatomy: Limbs and Trunks	3	Both lab and lecture component must be completed
Ontario	University of Western Ontario	ANATCELL 2221/9501/9524	Functional Human Anatomy	6	
Ontario	University of Western Ontario	ANATCELL 2201	Anatomy for Physical Therapy Program	6	
Ontario	University of Western Ontario	ANATCELL 3319	Systemic Human Anatomy	6	
Ontario	University of Western Ontario	ANATCELL 3324	Anatomy for Occupational Therapy Program	3	
Ontario	University of Western Ontario	KIN 2222 A/B	Systemic Approach to Functional Anatomy	3	Formerly KIN 222 A
Ontario	University of Western Ontario	HEALTHSCI 2300 A/B	Systemic Approach to Functional Anatomy	3	
Ontario	University of Western Ontario	HEALTHSCI 3300 A	Anatomy of the Human Body	3	
Ontario	University of Western Ontario	KIN 3222	Anatomy of the Human Body	3	
Ontario	University of Windsor	KNES 265	Functional Anatomy	3	
Ontario	University of Windsor	BIOL 202	Human Anatomy	3	
Ontario	Wilfred Laurier University	HE 210/HN 210/BI 210	Human Anatomy	3	
Ontario	Wilfred Laurier University	KPE 223	Functional Human Anatomy	3	
Ontario	York University	AS/HH/SC/KINE 2031	Human Anatomy	3	Formerly AS/SC/KIN 2031.03, which is no longer offered
Ontario	York University	NATS 1650	Human Anatomy for Fine Arts	6	
Ontario	York University	HH/KINE 3460/3465	Regional Human Anatomy I & II	6	Both courses must be taken and completed within the dates listed on the Application Requirements website to meet the Anatomy requirement.
PEI	UPEI	BIOL 121	Human Anatomy	3	

Quebec	Concordia University	EXCI 253/254	Human Anatomy I & II	6	Both courses must be taken and completed within the dates listed on the Application Requirements website to meet the Anatomy requirement.
Quebec	McGill University	ANAT 316	Human Visceral Anatomy	3	
Quebec	McGill University	ANAT 315	Anatomy/Limbs & Back	4	Has replaced EDKP 205
Quebec	McGill University	ANAT 214	Systemic Human Anatomy	3	
Quebec	McGill University	EDKP 205	Structural Anatomy	3	
Saskatchewan	University of Regina	KIN 260	Human Anatomy	3	Distance Education
Saskatchewan	University of Regina	KHS 168	Human Anatomy	3	
Saskatchewan	University of Saskatchewan	ACB 221	Gross Human Anatomy	3	
Saskatchewan	University of Saskatchewan	ACB 310	Basic Human Anatomy	3	
Saskatchewan	University of Saskatchewan	ANAT 210	Basic Human Anatomy	3	
Saskatchewan	University of Saskatchewan	ACB 801	Human Gross Anatomy	3	
Scotland	University of Glasgow - International Summer School	EXT2089	International Summer School Functional Anatomy	3	
Utah	Brigham Young University	PDBIO 210	Human Anatomy	3	Distance Education
Utah	Brigham Young University	PDBIO 220	Human Anatomy with Lab	4	
Utah	Brigham Young University	EXSC 440	Advanced Musculoskeletal Human Anatomy		to be taken in conjunction with PDBIO 220
Utah	Utah State University	BIOL 2320	Human Anatomy	4	
Utah	Weber State University	Zoology 2100	Human Anatomy	4
