

## **Professional Practice and the Public Interest**

The Dean, or Academic Coordinator of Clinical Education acting on behalf of the Dean, may immediately deny assignment of a student to, withdraw a student from, or vary terms, conditions, or site of clinical placement if the Dean or Chair or Academic Coordinator of Clinical Education has reasonable grounds to believe that this is necessary in order to protect the public interest. Refer to S87, GFC Policy Manual for additional information.

### GFC Policy

A site may also terminate a placement before the scheduled conclusion date due to safety concerns, unprofessional behaviour, knowledge and skills below an expected level or any other reason that may put the safety of the public at risk.

Early termination due to poor performance is not appealable at any University level. See Practicum Intervention Policy 87.1(h)
