William Flanagan
President and Vice-Chancellor, University of Alberta
President's Office
2-24 South Academic Building
11328 - 89 Ave NW
Edmonton AB T6G 2J7

Dear President Flanagan:

Firstly, it was a pleasure meeting with you yesterday afternoon together with Justice Tom Wakeling and Gerry Chipeur, QC. It was a pleasant introduction and the conversation was both interesting and stimulating.

Secondly, but most importantly, congratulations on your upcoming installation on September 16, 2020 as the 14th President and Vice-Chancellor of the University of Alberta. You are an excellent selection for this important and esteemed position, and I know the University will be well served by your enthusiasm, drive, and leadership abilities.

I'm very impressed with your five year vision for the University, introducing a major program of academic and administrative restructuring: The University of Alberta of Tomorrow. I have followed your time as Dean of Law at Queen's University and have been impressed with your leadership and engagement both at the faculty and in the broader community, and in particular your work in support of HIV/AIDS research.

It will be a pleasure getting to know you better during your term as President and Vice-Chancellor. I am always available to be of any assistance you may need in this exciting new role.

Mr Justice Kevin Feehan
Chancellor, Newman Theological College and St Joseph's Seminary
