

# Announcements to Class

Please announce the following to your class:

- Students are responsible for familiarizing themselves with the requirements and limitations of their programs as specified in each faculty section of the Calendar, for ensuring that their programs are properly planned and in accordance with degree specifications, and for the completeness and accuracy of their registration.
- The appearance of a student's name on the official Class List indicates confirmation of a registration in the course section.
- A student who does not have a confirmed registration in a course section is not permitted to attend it.
- A student will not receive credit for a course section if he or she is not officially registered in it or does not have the required co-requisite or prerequisite.
- A student whose name does not appear on the official Class List may not be registered in the course section and is advised to go to the faculty office to confirm his or her registration status.
