

AVADH BHATIA POSTDOCTORAL FELLOWSHIP FOR WOMEN IN THE FIELD OF PHYSICS

Application Deadline: January 7, 2019

The Department of Physics at the University of Alberta invites applications for the Avadh Bhatia Women's Postdoctoral Fellowship.

The award is conferred to a woman who is a recent PhD graduate with a demonstrated potential for excellence in physics research. It was established by the late Mrs. June Bhatia in memory of her late husband, Professor Avadh Bhatia.

The award provides a \$60,000.00 annual stipend for a maximum of two years. The annual stipend includes \$10,000 per annum that must be provided by supervising faculty member(s). The anticipated start date of the appointment is September 1, 2019.

To apply, contact one or more of the Department of Physics faculty members (<https://www.ualberta.ca/physics/people/faculty>) in your field of research to provide a letter of nomination. In addition to this letter, a complete application should include three (3) letters of reference (one of which can be from the nominator), a CV and a statement of research interests. Applicants must have completed their PhD no more than 36 months (with exemptions for documented maternal or medical leave) prior to the anticipated starting date of the fellowship.

The application should be submitted via email to:

Avadh Bhatia Women's Postdoctoral Fellowship Committee
Department of Physics
University of Alberta
Edmonton, Alberta, Canada T6G 2E1
Email: Suzette Chan <suzette.chan@ualberta.ca>

Closing date:

January 7, 2019.
