The membership of the Health Research Ethics Board – Biomedical Panel complies with the membership requirements for Research Ethics Boards as defined in Division 5 of the Food and Drug Regulations and the Tri-Council Policy Statement for the Ethical Conduct for Research Involving Humans (2018). The HREB – Biomedical Panel carries out its functions in a manner consistent with Good Clinical Practices.

Members of the Health Research Ethics Board, who are named as Investigators in research studies, do not participate in discussions related to, nor vote on, such studies when they are presented to the committee.
