

2023 Support Staff Research Enhancement Award

NASA is pleased to circulate this Call for Nominations on behalf of the University of Alberta.

The University of Alberta Support Staff Research Enhancement Award is a joint initiative of NASA and the Vice-President (Research and Innovation) Office.

Would you like to nominate someone who contributes to the research success of the University of Alberta?

This award recognizes support staff who consistently make a positive contribution to the research success of their Faculty/Department/Unit and the University by providing outstanding service; fostering innovation; creating a positive influence in the workplace; and demonstrating leadership. The award is open to all support staff, both operating and trust funded. Individuals may receive this award only once.

The award will consist of up to two prizes, valued at \$1,000 each.

Please submit nomination forms to Leslie Parsad (parsad@ualberta.ca) by **4 pm, Thursday, August 31, 2023**. Contact Leslie in the Office of the Vice-President (Research and Innovation) with any questions.
