**POSITION SUMMARY**

Food Ambassadors are passionate about the food they eat. Food Ambassadors work for Dining Services, reside in the residence community, and have a meal plan. Food ambassadors promote healthy eating in residence and promote understanding of the meal plan to their peers in residence. They pay close attention to their dining experience, collect feedback from others, and provide thoughtful and thorough feedback about Dining Services locations within residence (Lister Hall and Peter Lougheed Hall).

**RESPONSIBILITIES**

- Eat at in-residence dining locations with critical attention to the quality of the food and customer service.
- Familiarize yourself with the hours of operation, food stations, etc.
- Regularly visit the Campus Dish website.
- Collect ongoing feedback from peers about residence dining locations throughout each semester. Which includes attending floor meetings and tabling in the cafeteria.
- Attend scheduled group meetings (approximately once per month).
- Promoting healthy eating in residence and promoting understanding of the meal plan.
- Submit bi-weekly storytelling social media posts
- Be available for Move In Day and Basecamp in August (if required)
QUALIFICATIONS

- Must be enrolled as a student at the University of Alberta with a minimum of a 2.3 GPA.
- Must live on campus in community assigned (Lister or PLH) for duration of employment (prior experience living or working in residence considered an asset)
- Strong communication skills to interact with students and Dining Services staff.
- Successful candidates will demonstrate strong attention to detail and the ability to multitask.

EXPECTATIONS

1. Maintain full-time student status at the University of Alberta.
2. Not engage in any behaviour or activity while living in residence that damages the reputation of the residence community, Residence Services or the University of Alberta.
3. Agree to behave according to the expectations listed above, the Community Standards, the Residence Agreement, the House Rules, and the Code of Student Behaviour. Failure to do so will result in the possible termination of the Food Ambassador role.

STATEMENT ON COVID-19 PANDEMIC

The number of student staff required for 2021-22 may be impacted by changes in the global pandemic, provincial public health guidance, and university decisions. These impacts are unpredictable and unfortunate. Student staff positions will be a function of the demand within our residence system. However, if demand goes down, we could see reductions from the initial offers that go out in March 2021. If there are any changes that occur as a result of the Covid-19 pandemic you will be notified as soon as possible by Residence Life staff.
