SJC Alumni Event Sells Out!

On Friday, October 29th we are holding a special beer tasting event for SJC Alumni, generously sponsored by Red Deer’s Troubled Monk Brewery.

It will be an evening of connecting with past friends, enjoying some local craft beer, learning about the beer making process from an SJC alum, and getting to know our new President, Dr. Shawn W. Flynn, as well as our VP of Advancement, Mark Ferne.

Attendees will also get a tour of the recently renovated rooms and check out the Women’s Residence next door, which we built in 2015.

Given COVID restrictions, space is extremely limited, so the event has already SOLD OUT!

BUT! Don't worry - get on our alumni email list so that you'll be the first to hear about future events, including another beer tasting planned for 2022!

Catholic Education Sunday: Restore, Rebuild, Renew Together

Sunday, November 7, 2021 is Catholic Education Sunday. This year's theme is, Catholic Education: Rebuild, Restore, Renew Together.
Here at SJC, we are committed to supporting future Catholic educators with our Certificate of Catholic Education, which prepares Education students to teach in Catholic schools and is considered a hiring asset in two Catholic school districts in the province. We pray that our students go on to rebuild, restore, and renew in our province's Catholic school systems.

People across Alberta will be praying a Novena to St. Joseph in preparation for Catholic Education Sunday. Join them starting October 28th, and keep an eye out for a letter from the Catholic Bishops of Alberta and the Northwest Territories that will mark the occasion.
