YOUR LEARNING PROCESS

COURSES
Initially there is an emphasis on coursework, especially the completion of requirements for commencing practicum placements.

PRACTICUMS
From theory to practice; learning by doing; engaging clients. Several locations; moving from basic to more advanced skill levels.

THESIS/CAPSTONE PROJECT
One’s thesis or capstone project can be in mind from the beginning of one’s program... and the focus can get clearer over time. During the practicum it may be possible to engage one’s thesis work...clarify a topic, method, etc.

CONVOCATION
A day of celebration, with an opportunity to present your research as well as, celebrate your accomplishments!
