Remote access to University of Alberta Libraries' proxying service

[NOTE: During the COVID situation, St. Stephen's students and faculty have temporary access to off-campus University of Alberta Libraries e-resources, until at least June 30, 2020, while in-person service is not possible. You will access these e-resources by doing a regular library search, then entering your CCID/password when asked. Contact westerma@ualberta.ca if you need a CCID or if you need your password reset.]

St Stephen's College students and faculty are not covered by the University of Alberta Libraries' Licenses, and do not have remote access to U Alberta electronic resources (e.g. e-journals, e-books or databases). Access for St Stephen's College students and faculty will be limited to onsite access at the Library. St Stephen's students who wish to access the U Alberta library electronic resources need a CCID (Campus Computing Identification) to use the computers in the library, and will need to apply, in person at the library with photo ID, for a 'guest' CCID. Library staff will issue a temporary CCID just for the day. This service is available only to students who are able to be in attendance at the library.

Art Therapy Students

For art therapy students, a student membership to AATA and CATA is a recommended way to gain access to art therapy published articles; UAlberta holding are limited in that area.

Taylor & Francis publish the CATA Art Therapy Journal through the University of Alberta libraries.

Students can access these when **on** campus in Edmonton.
