Roundtable Notes:

- There is enough direction here to guide our work
- Doesn't pigeon-hole us—appreciate that it doesn't mention specific projects
- Could use more references to alumni
- Could add something about the retention of graduates in Alberta

Specific suggestions:

Pg. 4

Values

Consider something along the lines of:

We value the public interest (or stewardship and accountability) and embrace serving as ethical and responsible stewards of resources and social good.

Pg. 6

“....fostering social, economic and environmental change....”

Pg. 7

“...we will nurture this culture and community....”
5. **OBJECTIVE:** Build and support an integrated, cross-portfolio institutional strategy to demonstrate and enhance the University of Alberta’s local, national, and international story, so that it is shared, understood, and valued by the full University of Alberta community and its many stakeholders.

   iii. Strategy: Communicate, using both quantitative and qualitative evidence, how the University of Alberta serves as a cornerstone of the community bringing widespread economic, environmental and societal benefits to all Albertans, as well as to national and international partners and stakeholders.

Page 11

Add international sustainable development goals to the list of criteria (per the 2030 Agenda for Sustainable Development - [https://sustainabledevelopment.un.org/post2015/transformingourworld](https://sustainabledevelopment.un.org/post2015/transformingourworld))

19. **OBJECTIVE:** Continue to build and support an integrated approach to social, economic, and environmental sustainability that incorporates teaching and learning, research, outreach, capacity building, and the operations that support them.

   New Strategy

   Strategy: Develop an integrated, institution-wide sustainability plan/strategy which demonstrates our commitment to a continuously instill sustainability into the many aspects of university life, on our campuses, in our institutions, and in the larger community of which we are part.

12. **OBJECTIVE:** Enable University of Alberta researchers to succeed and excel.

   i. Strategy: Expand services and supports for researchers at all career stages (graduate students, post-doctoral fellows, and faculty), including the development of research mentorships and Grant Assist programs.

   ii. Strategy: Maintain and pursue partnerships across the global academy to expand research and funding opportunities for our researchers and thus increase their capacity for success.

   iii. Strategy: Pursue strategies to increase the success of graduate students and post-doctoral fellows in national grant, scholarship, and award programs.

   iv. Strategy: Secure and sustain funding for the continuous evolution and operation of research facilities and resources (e.g., libraries, labs, live animal facilities, museums and collections, performance spaces, fine arts facilities, U of A Press, etc.) to meet the changing needs of our broad-based research community.  **Move this strategy to Objective 22 and reword.**
22. OBJECTIVE: Ensure that the University of Alberta’s campuses, facilities, utility, and information technology infrastructure can continue to meet the growth needs and strategic goals of the university.

i. Strategy: Pursue strategies to secure and sustain funding to plan and seek funding for future operation, expansion and renewal of campus infrastructure projects based on evolving teaching and research priorities to meet the needs of our broad based teaching and research communities.

ii. Strategy: Build, operate and maintain undergraduate and graduate student housing to support our students’ academic success and sense of belonging to the university community.

iii. Strategy: Provide effective IT solutions and enhancements that enable secure and reliable delivery of high-quality programs and services.

iv. Strategy: Engage and strategically partner with stakeholders to explore and develop joint-use projects.

V. Strategy; Continuously review alignment of infrastructure funding requests for alignment of partner priorities for funding
