Health Screening Guide
FOR STUDENTS & STAFF

This flowchart outlines the most likely exposure scenarios for COVID-19 for our staff and students. For any other scenarios you must follow the direction or advice of AHS or the university’s Rapid Response Triage Team.

A  START HERE IF...
You have symptoms (not related to a pre-existing condition)

Do you have any of the following symptoms?
- Chills
- Fever
- Shortness of breath or difficulty breathing
- Sore throat
- Runny nose

NO

According to AHS, you are LEGALLY REQUIRED TO SELF-ISOLATE for a minimum of 10 days or until symptoms resolve, whichever is longer.
Contact your instructor or supervisor.
Follow directions from AHS.

YES

B  START HERE IF...
Someone in your household has symptoms (not related to a pre-existing condition)
