Health Screening Guide

FOR STUDENTS & STAFF

Do you have any of the following symptoms?
- Chills
- Painful swallowing
- Stuffy nose
- Headache
- Muscle or joint ache
- Feeling unwell, fatigue, or severe exhaustion
- Nausea, vomiting, diarrhea, or unexplained loss of appetite
- Loss of sense of smell or taste
- Conjunctivitis (pink eye)

If anyone in your house has any of the following symptoms you may still come to school or work.
- Cough
- Shortness of breath or difficulty breathing
- Sore throat
- Runny nose

According to AHS, you are LEGALLY REQUIRED TO SELF-ISOLATE for a minimum of 10 days or until symptoms resolve, whichever is longer.

Contact your instructor or supervisor.
Follow directions from AHS.

You may continue to come into school or work.

If anyone in your house has any of the following symptoms you may still come to school or work.
- Chills
- Painful swallowing
- Stuffy nose
- Headache
- Muscle or joint ache
- Feeling unwell, fatigue, or severe exhaustion
- Nausea, vomiting, diarrhea, or unexplained loss of appetite
- Loss of sense of smell or taste
- Conjunctivitis (pink eye)

You must stay home until you feel better. You may return to work/school once your symptoms have resolved.

You may come to class or go to work.

According to AHS, you are LEGALLY REQUIRED TO SELF-ISOLATE for 14 days.

Contact your instructor or supervisor.
Follow directions from AHS.

This flowchart outlines the most likely exposure scenarios for COVID-19 for our staff and students. For any other scenarios you must follow the direction or advice of AHS.
