R.U. Lemieux Lectures on Biotechnology Speaker Selection Committee

Purpose

This Committee has the following responsibilities: to hold a lecture in the R U Lemieux Lectureship on Biotechnology series at least once per year to develop and manage a budget for this series to choose high-quality speakers with an international reputation to address the local community on biotechnology-related issues in a broad sense. The Office of the Vice-President (Research) issues formal invitations to speakers.

Meetings

The Chair calls a meeting at least once per year.

Membership

The Vice-President (Research) appoints members on the advice of the Chair.

Current Members

Appointed (three-year term, staggered). Contact the VP-R office for information on current members.
