

VISION

Expanding horizons for a better world

MISSION

UAI supports the university community in the development and delivery of impactful international experiences, partnerships, and opportunities to foster global citizenship for students, faculty, and staff.

VALUES

GLOBAL GOOD

We pursue our work recognizing the interdependence of all people and nations and striving to create relationships that balance individual, societal and planetary needs.

ADAPTABILITY

We readily adjust to changing operating conditions and challenges. We are flexible in how we work with each other, our clients and our partners.

COLLABORATION

We know that higher outcomes are achieved from sharing different perspectives and working together across units and institutions.

COMPETENCE

We are confident in our skills and in our ability to recognize where we need to enhance our capabilities to be successful.

SERVICE

Our work is meaningful when we are helping others.

GOALS

Strengthen the recruitment and experience of international students

Deepen the university's global engagement
