Symposium on Research in Geosciences

The one–day symposium includes invited talks and presentations by graduate students and faculty at the University of Alberta.

Topics will cover all aspects of the Geosciences, including numerical and laboratory experiments, and theoretical research on the geosphere, hydrosphere and atmosphere.

Tuesday, October 7, 2003

8:45–17:00

Henry Marshall Tory Building 3–36
University of Alberta

Invited Speakers

Brad Hayes, Petrel Robertson Consulting Ltd.
Bob Kochtubajda, Environment Canada

All staff, students and others who are interested are invited to attend
